Dear Ms. Sinniah

Atrum Coal NL – Request for voluntary suspension

Pursuant to ASX Listing Rule 17.2, Atrum Coal NL ACN 153 876 861 (**ATU**) hereby requests a voluntary suspension in ATU's ordinary shares to take effect immediately.

For the purposes of ASX Listing Rule 17.2 and in support of this request, ATU advises that:

- a) the trading halt is requested pending an announcement by ATU to the market in relation to a possible alternative transaction involving ACG;
 -
- b) it requires that the suspension of trade remain in place pending an announcement by the Company regarding the outcome of the discussions with ASX;
 -
- c) it expects that the voluntary suspension will be in place for up to 5 business days;
 -
- d) the voluntary suspension is necessary as otherwise trading in the Company's ordinary shares would occur on an uninformed basis; and
 -
- e) ATU is not aware of any reason why the voluntary suspension should not be granted or of any other information necessary to inform the market about the voluntary suspension.
