

## Weekly NTA Update

In an effort to provide more information to shareholders and the market in general, we have decided to publish a weekly estimated Net Assets per Share figure for Ozgrowth Limited.

The normal monthly update containing more information on portfolio performance and composition will continue to be provided.

The figures released are unaudited and is our estimate of the Net Tangible Assets per Share on the specified dates.

Date	Estimated NTA per share*	Estimated NTA per Share before allowance for DTL on unrealised gain*
23 August 2016	19.7 cents	20.5 cents
16 August 2016	19.1 cents	19.8 cents

\* Net tangible assets of the company include allowance for Deferred Tax Assets (DTA)/ Deferred Tax Liabilities (DTL) that arise from both realised and unrealised gains and losses. The "NTA per Share before allowance for DTL on unrealised gain" excludes the unrealised component. A further amount of DTA is included in both NTA's shown that arises from realised losses. For further detail on the components of the DTA, refer to our latest monthly update.

Ozgrowth Limited is a listed public company that has been established to provide investors with an exposure to a portfolio of assets that are intended to show consistent positive returns.

The portfolio of assets is managed by Westoz Funds Management Pty Ltd, a 100% owned subsidiary of Euroz Limited (ASX Code: EZL).

Whilst the majority of investments will be sourced from the Australian equity market, the portfolio is intended to produce the desired returns regardless of the general direction of that market. Ozgrowth Limited will also consider unlisted investment opportunities as appropriate.
