
Alcidion to exhibit at National AusMedTech Conference

ADELAIDE, SOUTH AUSTRALIA, MAY 3rd 2016 – [Alcidion Group Limited \(ASX:ALC\)](#), a leading health informatics company is pleased to announce that the company is exhibiting at AusMedTech 2016 from 10-11 May at the Adelaide Convention Centre.

The event will bring together key stakeholders of the Australian and international medical devices and diagnostics sector to discuss the major factors in global Medtech success. The conference will provide information to help Medtech executives plot the course to global success, targeting key commercial issues such as export opportunities, finance and investment, hot technologies and updates in the fields of IP, regulatory approvals, health economics and reimbursement and sales networks.

Highlights include presentations from IBM and Microsoft, who will discuss advances in digital health, and global and national industry leaders who will showcase their innovations and examine the key issues facing the sector.

During the conference, The Hon. Jack Snelling MP, Minister for Health will be conducting a key note address titled "South Australia: Delivering med-tech growth".

The AusMedtech conference is held annually by AusMedtech, part of AusBiotech, Australia's biotechnology industry organisation. AusMedtech is the national industry group that represents the medical devices and diagnostics industry sector.
