GPT Metro Office Fund – Corporate Governance Statement

GPT Platform Limited (**GPL**) is the responsible entity of the GPT Metro Office Fund (**Fund**) and a wholly-owned subsidiary of GPT Management Holdings Limited. The Board of GPL is responsible for ensuring, and is committed to ensuring that robust systems of corporate governance are applied to the operations of the Fund.

The third edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Principles**) sets out a recommended corporate governance framework for listed entities. This statement sets out how the Fund has complied with the Principles as they apply to externally managed listed trusts for the period ended 30 June 2016. The Fund has also lodged an Appendix 4G (Key to Disclosures – Corporate Governance Principles and Recommendations) with the ASX.

While the Council has stated a number of the Principles do not apply to externally managed listed trusts, the Fund has either directly or through its arrangements with GPT (comprising, GPT Management Holdings Limited (**GPTMH**) and the General Property Trust) put in place procedures in relation to a number of those Principles as they relate to the Fund and GPL.

This Corporate Governance Statement was approved by the Board and is current as at 30 June 2016.

Principle 1: Lay solid foundations for management and oversight

Recommendation 1.1

The responsible entity of an externally managed listed entity should disclose:

- (a) the arrangements between the responsible entity and the listed entity for managing the affairs of the listed entity; and
- (b) the role and responsibility of the board of the responsible entity for overseeing those arrangements.

The Fund is managed under the supervision and direction of the Board which comprises Mr John Atkin, Ms Justine Hickey, Mr Paul Say, Mr Nicholas Harris and Mr James Coyne.

The primary function of the Board is to ensure that the Fund is managed in the best interests of its unitholders. This involves monitoring the decisions and actions of the Fund Manager and the management team who are responsible for the day-to-day management of the Fund. The Board also monitors the governance and performance of the Fund through the committees established by it.

The Board has formalised its roles and responsibilities in the Board Charter. The Board is responsible for overseeing all of the business of the Fund including:

- setting the strategic direction for the Fund and ensuring it is followed;
- approving and monitoring Fund strategy;
- approving investments and commitments;
- ensuring compliance with the Fund compliance plan and constitution and the Corporations Act 2001 (Cth);
- reviewing and ratifying the Fund's corporate governance policies and practices and GPT's systems of risk management and internal compliance and control which cover the Fund; and
- reviewing the performance and results of the person appointed to the role of the Fund Manager;
- determining the terms of reference, membership and composition of any committee of the Board;
- approving and monitoring financial and other reporting;
- approving the declaration of distributions to Unitholders in accordance with the Trust constitution; and
- approving all related party transactions with GPT.

A copy of the Board Charter is available at www.gptmetroofficefund.com.au.

All matters not specifically reserved for the Board and necessary for the day-to-day management of the Fund are delegated to management. The Board has approved delegated limits for management in this context. Although the Board retains overall responsibility for the management of the Fund, the Board has engaged GPTMH to provide, or procure the provision of certain limited services and resources to GPL to enable GPL to carry out its obligations in respect of the Fund. Under this arrangement, GPTMH must use its reasonable endeavours to perform the services in accordance with the reasonable directions of the Board.
