

**ASX ANNOUNCEMENT****23 September 2016**

VALMEC CONTINUES TO BUILD EAST COAST ORDER BOOK

Valmec Limited (ASX: VMX) is pleased to announce it continues to build on its East Coast expansion activities by securing recent supply and construction contracts with 2 major Tier 1 gas producers. Together with the award of new government infrastructure works in Western Australia, Valmec advises total bookings of approximately \$10.1 million of new contracts to its order book.

Valmec Managing Director Steve Dropulich said that these contracts support the Company's continued focus in the East Coast as the Company continues to work closely with a number of oil and gas explorers and producers as they develop their upstream gas infrastructure development programs.

"We are delighted to have secured these strategic contracts within the Queensland CSG sector and look forward to further expanding our Project Construction capabilities in the region complementing our already established Services business footprint." Valmec Managing Director Steve Dropulich said.

About VALMEC

Valmec is an Australian energy and multi-discipline services group providing specialised packaged equipment, construction, maintenance, commissioning and integrity maintenance services to the resources, energy and infrastructure sectors.

Founded by an experienced team of EPC and contracting professionals each with more than 25 years in the Australian gas industry, Valmec's focus is on the delivery of innovative project solutions, superior service and faster time-to-market options than the competition.

Valmec employs approximately 180 project and support personnel, operating out of modern offices and fully equipped workshop facilities in Western Australia and Queensland.
