

## Unit Trading Policy

### 1.1. Unit Trading Policy

The Board has established the following policy to apply to trading in the Fund's units on the ASX. This policy applies to those persons defined below as Restricted Persons of the Fund.

Restricted Persons to whom this policy applies must restrict their buying and selling of Fund's units within the Fund trading window established by this policy.

In addition to the requirements of this Unit Trading Policy, all Restricted Persons (as defined below) must also comply with the Insider Trading Policy in Section 6 below.

### 1.2. Executive restrictions on trading

This Unit Trading Policy and the restrictions on trading in units of the Fund set out below applies to the following representatives of the Fund (**Restricted Persons**):

- (a) the Board;
- (b) Directors and Secretary of any entity controlled by the Fund;
- (c) any person who is entitled to receive equity performance rights and/or options as part of any equity incentive based scheme of the Fund;
- (d) the Secretary; and
- (e) Executives.

The Restricted Persons are to be subject to restrictions on trading in the Fund's units at certain times of the year. Restrictions also apply where any Restricted Person is exposed to inside information in the course of their duties in accordance with the Insider Trading Policy.

### 1.3. Associated Parties

Each Restricted Person has a personal responsibility to ensure that his or her "associated parties" (being immediate family (including a spouse (or equivalent) or dependent), family company or trust) complies with the same respective restrictions as apply to Restricted Persons.

### 1.4. Prohibition on Executives dealing in units

In addition to the overriding prohibition on dealing when a person is in possession of inside information in accordance with the Insider Trading Policy, Restricted Persons and their associated parties are prohibited (unless otherwise agreed to by the Board) from dealing in units during:

- (a) each period between the end of the annual reporting period and 48 hours immediately after the date upon which the Fund releases its annual financial statements to the ASX;
- (b) each period between the end of the half yearly reporting period and 48 hours immediately after the date upon which the Fund releases its half-yearly financial statements to the ASX;
- (c) each period of 30 days immediately prior to the intended date upon which the Fund holds a Unitholders meeting;
- (d) the first 14 calendar days of each month, prior to the announcement of the Fund's NTA and

- (e) each period 48 hours immediately after the date upon which the Fund issues an ASX announcement of the Fund's financial results or the holding of a Unitholders' meeting.

For the avoidance of doubt, it is emphasised that Restricted Persons may not deal at any time whilst in the possession of "inside Information".

#### **1.5. Board of Directors' discretion**

The Board has an absolute discretion to place an embargo on Restricted Persons and/or employees and /or their respective associated parties trading in the Fund's units at any time.

#### **1.6. Notification rules in relation to dealing in units**

Restricted Persons are required to notify the Fund of intended dealings in units, by themselves or their associated parties, of the Fund prior to such intended dealings. This should be done by written notice to the Secretary outlining:

- (a) name of unitholder;
- (b) type of proposed transaction (purchase, sale, etc.); and
- (c) number of units involved.

The Secretary may confer with the Chairman of the Board in relation to any proposed dealing.

#### **1.7. Directors to notify ASX of unitholding**

The Directors of the Fund are required to complete, or request that the Secretary complete necessary forms to the Fund to be filed with the ASX in respect of their unitholding in the Fund for the purposes of section 205G of the Corporations Act and the Listing Rules.

#### **1.8. Exceptional Circumstances**

Where, in exceptional circumstances, and it is the only reasonable course of action available to a Restricted Person (e.g. a pressing financial commitment that cannot be satisfied otherwise) clearance may be given for the Restricted Person to sell (but not to purchase) units in the Fund when that person would otherwise be prohibited from doing so.

In this section 1.8, "exceptional circumstances" means severe financial hardship, a court order (or court enforceable undertaking), or some other overriding legal or regulatory requirement, to transfer or sell units in the Fund, or other circumstances that may be deemed exceptional by the Board. For example, a Restricted Person may be in severe financial hardship if he or she has a pressing financial commitment that cannot otherwise be satisfied.

The Board may not give clearance under the exception in section 1.8 if there is a matter about which there is inside information in relation to units in the Fund (whether or not the Restricted Person knows about the matter) when the Restricted Person requests clearance or proposes to deal in units in the Fund.

The Board will decide if circumstances are exceptional.

**1.9. Any clearance given by the Board in accordance with section 1.8 must be in writing (which may be in the form of an email). The Board must determine, and specify in the written clearance, the maximum duration of the clearance. Trading not subject to this Trading Policy**
