STATEMENT TO THE AUSTRALIAN SECURITIES EXCHANGE

Wimobilize Singapore Pte Ltd Extends Exclusive Partnership with Byte Power (Hong Kong) Ltd

Byte Power Group Ltd (ASX: BPG) is pleased to announce that its subsidiary Byte Power (Hong Kong) Ltd ("Byte Power Hong Kong") has entered into an Exclusive Partnership Agreement with Wimobilize Singapore Pte Ltd ("Wimobilize"). This gives Byte Power Hong Kong the exclusive rights in Hong Kong, Macau, China and Taiwan to sell and implement Wimobilize Big Data solutions.

This agreement acts as supplementary to the agreements signed and announced on 26 August 2016 and 31 August 2016, which were for Exclusive Partnerships with Wimobilize through two of BPG's fully owned subsidiaries: Byte Power Pte Ltd ("Byte Power Singapore") and Byte Power Pty Ltd ("Byte Power Australia"). These two Exclusive Partnership agreements enables Byte Power Singapore and Byte Power Australia to sell and implement Wimobilize Big Data solutions exclusively in Singapore & Malaysia and Australia & New Zealand respectively.

Upon signing of the exclusive agreements, BPG has commenced commercial discussions with several potential customers in Malaysia, Australia & China and the market will be updated once there have been some material progress. BPG is excited at this strong partnership with Wimobilize as this leads the Group to embark on this new area.

Wimobilize's Big Data solution provides companies with the capability to identify correlation and valid models to facilitate more accurate decisions from multi-structured data, such as marketing and transactional data, and unstructured data such as social conversations and news.

Big Data market is expected to grow at a CAGR of 43% representing in huge opportunities in this sector, finds a new research report launched by NOVONOUS. This growth is driven by increasing penetration of big data, increase in analytics services and availability of affordable big data solution and services to end users. Asia Pacific Big Data market controls third largest market share at 14.50% in terms of revenue in Global Big Data market. It is expected to maintain its market position even in 2020. India, South Korea, Japan, China and Australia are key countries
