

ASX ANNOUNCEMENT

2 May 2016

SHARE PURCHASE PLAN SCALE BACK

Due to strong shareholder support, the recent Share Purchase Plan (SPP) was significantly oversubscribed, with total applications for \$18.3 million in shares. As previously advised, the Company was seeking to raise up to \$4.0 million in funds through the SPP, and accordingly the Board has applied a scale back to all applications under the SPP such that applicants receive 21.83% of shares applied for. This will result in the issue of 1,570,167 new shares to raise \$4,003,925.

The Board would like to thank all shareholders for their continued support of the Company.

For and on behalf of the Board

About Tox Free Solutions Ltd (ASX code: TOX)
