*Capital raising*

TasFoods Limited (**Company**) is pleased to announce that it has completed its recent capital raising under the prospectus issued on 25 May 2016. The Company accepted applications for 101,577,000 ordinary shares at an issue price of \$0.25 each and raised \$25,394,250 (before costs). Those shares were issued today.

*Acquisitions*

*Reinstatement to official quotation*

The Company has received notification from ASX that it has decided to reinstate the Company's securities to official quotation on ASX on a date to be decided by ASX, subject to the Company complying with certain conditions. The Company is working to satisfy those conditions so that reinstatement can occur next Monday 20 June 2016 (subject to ASX's approval).

### Quotation agreement

1        +Quotation of our additional +securities is in ASX's absolute discretion. ASX may quote the +securities on any conditions it decides.

2        We warrant the following to ASX.

- The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.
- There is no reason why those +securities should not be granted +quotation.
- An offer of the +securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the +securities be quoted.
- If we are a trust, we warrant that no person has the right to return the +securities to be quoted under section 1019B of the Corporations Act at the time that we request that the +securities be quoted.

3        We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.

4        We give ASX the information and documents required by this form. If any information or document is not available now, we will give it to ASX before +quotation of the +securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.

<b>Subtract</b> the number of fully paid +ordinary securities cancelled during that 12 month period	Nil
<b>“A”</b>	162,907,181
