\* Treasury Units are units held by the Trust to provide bid and offer prices around the Trust's Net Asset Value per Unit on the ASX.

**About the Aurora Dividend Income Trust**

The objective of the Trust is to maintain a permanent exposure to companies that pay fully franked dividends whilst reducing their market exposure. The aim is, relative to the Australian equity market, to provide investors with:

- greater total returns over rolling 5 year periods;
- more income and franking credits each year; and
- less volatility.

Yours faithfully
