Dear Sir/Madam,

RE: REQUEST FOR TRADING HALT

MEC Resources Limited (ASX:MMR) requests for a trading halt from the Australian Securities Exchange (ASX) in accordance with Listing Rule 17.1 pending the announcement to be made by investee company Advent Energy Ltd regarding the status of negotiations for the seismic acquisition vessel for Petroleum Exploration Permit 11 (PEP11) offshore New South Wales.

The trading halt should be until the release of the announcement by the Company expected to be no later than market preopen 15 April 2016.

MEC is not aware of any reason why this trading halt should not be granted by the ASX.

Yours Sincerely
