About MedAdvisor

MedAdvisor is a world class medication management platform focused on addressing the gap and burden of medication adherence. Founded with a desire to simplify medication management, the highly automated and intuitive Australian software system connects patients to their local pharmacy, providing them with real time access to their personal medication records. Available free on mobile and internet devices, the platform also incorporates a variety of valuable and convenient features including reminders and pre-ordering of medications, which together improves adherence by approximately 20%.

Since launching in 2013, MedAdvisor has welcomed over 5000,000 registered users and is connected with over 45% of pharmacies across Australia. With the recent GP software integration enabling patients to order script renewals remotely from their doctor; MedAdvisor continues to lead the way in delivering innovative patient centred health solutions.
