Dear Ms Kidson

**REQUEST FOR SUSPENSION**

Quantum Resources Limited (ASX:QUR) (the **Company**) refers to its request for a halt to the trading of its ordinary shares quoted on the Australian Securities Exchange (**ASX**) on 31 March 2016. The trading halt was requested pending an announcement to be made by the Company in connection with its proposed acquisition of LogiTag Systems Limited.

The Company now anticipates to be in a position to make the announcement on Wednesday 6 April 2016. Accordingly, the Company requests a voluntary suspension to the quotation of its ordinary shares on the ASX from Monday 4 April 2016 (immediately after the cessation of the trading halt).

In accordance with ASX Listing Rule 17.2, the Company provides the following information in relation to this request:

1. The reason for the request for voluntary suspension is for the Company to manage its continuous disclosure obligations pending an announcement to be made by the Company in connection with its proposed acquisition of LogiTag Systems Limited.
2. The Company requests that the voluntary suspension continue until the earlier of commencement of trading on Wednesday 6 April 2016 or when the announcement is released to the market.
3. The event that will end the voluntary suspension is the announcement referred to in paragraph 1 above.

The Company is not aware of any reason why the voluntary suspension should not be granted.

Please contact me if you require any further information concerning this matter.

Yours sincerely

Alyn Tai  
**Director & Company Secretary**
