Urbanise relocates finance management to Melbourne

Urbanise.com Limited (Urbanise) (ASX:UBN) announced today that the Company's finance management function will relocate to Melbourne from Dubai. This decision follows the appointment earlier this year of Michael Waymark as Chief Operating Officer.

As a result, Dubai-based Chief Financial Officer (CFO) Mark Hough has elected to leave the Company. Urbanise Financial Controller Emer Reynolds has been appointed Interim CFO.

The Board would like to thank Mr Hough for the contribution he has made to Urbanise during his tenure as CFO and wish him all the best for the future.

About Urbanise

Urbanise is the creator of a cloud-based platform that enables building operators to automate, streamline, simplify and optimise building operations and performance. The Residential Property Cloud provides integrated products specifically for medium-large asset owners, managers and service providers in the residential property industry. The IoT cloud, with its open architecture, can be deployed in many ways and across many industries beyond the residential vertical. www.urbanise.com
