MANTLE LAUNCHES NEW CORPORATE WEBSITE

Mantle Mining Corporation Limited (ASX: MNM, Mantle or the Company) is pleased to announce the launch of its new website which is available now at www.mantlemining.com.

The Company encourages its shareholders to visit the website which offers a new and improved platform for the promotion of its core preproduction projects, at the Norton and Morning Star Gold Mines. Information on Mantle's other development projects will be progressively added to the website over coming weeks.

The Company is in an exciting phase of development with its Norton Gold Mine progressing towards first production later this year and Morning Star slated for a restart of underground development activities in mid 2017.
