## Terms and Conditions of Options Expiring 30 June 2016

- 1. Each option (Option) entitles the holder to subscribe for one (1) fully paid ordinary share (Share) in Phylogica Limited (Company) at an exercise price of \$0.09 each.
- 2. The Options shall expire on or before 30 June 2016. Any Option not exercised by the expiry date will automatically expire.
- 3. The Options are transferable. Subject to the ASX Listing Rules and the Corporations Act 2001 (Cth) (Corporations Act), the optionholder may transfer some or all of the Options at any time before they expire by a:
  - a) proper ASTC transfer or any other method permitted by the Corporations Act; or
  - b) prescribed instrument of transfer.
- 4. An instrument of transfer of an Option must be: in writing; in any usual form or in any other form approved by the directors that is otherwise permitted by law; subject to the Corporations Act, executed by or on behalf of the transferor, and if required by the Company, the transferee; and delivered to the Company, at the place where the Company's register of optionholder is kept, together with the certificate (if any) of the Option to be transferred and any other evidence as the directors require to prove the title of the transferor to that Option, the right of the transferor to transfer that Option and the proper execution of the instrument of transfer.
- 5. The Company will apply to ASX for quotation of the Shares issued on exercise of the Options.
- 6. The optionholder is not entitled to participate in any new issue to existing shareholders of securities in the Company unless they have exercised their Options before the "record date" for determining entitlements to the new issue of securities and participate as a result of holding shares. The Company must give the optionholder notice of the proposed terms of the issue or offer in accordance with the ASX Listing Rules.
- 7. If the Company makes a bonus issue of shares or other securities to shareholders (except an issue in lieu of dividends or by way of dividend reinvestment) and no Share has been issued in respect of the Option before the record date for determining entitlements to the issue, then the number of underlying shares over which the Option is exercisable is increased by the number of shares which the optionholder would have received if the optionholder had exercised the Option before the "record date' for determining entitlements to the issue.
- 8. If there is a reorganisation (including consolidation, sub-division, reduction or return) of the share capital of the Company, then the rights of the optionholder (including the number of Options to which the optionholder is entitled to and the exercise price) is changed to the extent necessary to comply with the ASX Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
- 9. Any calculations or adjustments which are required to be made will be made by the Company's board of directors and will, in the absence of manifest error, be final and conclusive and binding on the Company and the optionholder.
- **10.** The Company must, within a reasonable period, give to the optionholder notice of any change to the exercise price of any Options held by the optionholder or the number of shares which the optionholder is entitled to subscribe for on exercise of an Option.
- 11. To exercise Options, the optionholder must give the Company or its share registry, at the same time:
  - a) a written exercise notice (in the form approved by the board of the Company from time to time) specifying the number of Options being exercised and shares to be issued;
  - b) payment of the exercise price for the shares, the subject of the exercise notice, by way of bank cheque or by other means of payment approved by the Company; and
  - any certificate for the Options.
- 12. The optionholder may only exercise Options in multiples of 5,000 Options unless the optionholder exercises all Options held by the optionholder.
- 13. Options will be deemed to have been exercised on the date the exercise notice is lodged with the directors of the Company.
- 14. If the optionholder exercises less than the total number of Options registered in the optionholder's name:
  - a) the optionholder must surrender their Option certificate (if any); and
  - b) the Company must cancel the Option certificate (if any) and issue the optionholder a new Option certificate or holding statement stating the remaining number of Options held by the optionholder.
- 15. Within ten (10) days after receiving an application for exercise of Options and payment by the optionholder of the exercise price, the Company must issue the optionholder the number of Shares specified in the application.
- **16.** Subject to the Company's constitution, all Shares issued on the exercise of Options will rank in all respects (including rights relating to dividends) equally with the existing ordinary Shares of the Company at the date of issue.
- 17. These terms and the rights and obligations of the optionholder are governed by the laws of Western Australia. The optionholder irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of Western Australia.
