AMENDED APPENDIX 4E FOR THE YEAR ENDED 30 JUNE 2016

Cardno Limited lodges an amended Appendix 4E disclosing a loss from continuing and discontinuing operations after income tax of \$194.9m for the financial year 2016 (previously \$176.0m as reported in the Appendix 4E lodged on 29 August 2016).

The increased loss is due to an additional \$23.9m non-cash impairment loss being recognised in the 2016 financial year. The total impairment loss for financial year 2016 is now \$178.2m (previously \$154.3m).

The after tax effect of recognising this additional impairment loss for the group is to increase the overall reported loss after tax by \$18.9m.

Cardno's completed 2016 Financial Statements are contained in the Annual Report lodged with the ASX today.
