## **Patrick Curry O.B.E. appointed as Independent Director**

Kyckr Limited (ASX: KYK) is pleased to announce the appointment of an Independent Director, Mr Patrick Curry O.B.E.

Patrick has a background in security and identity at the highest levels globally. He provides advice to many organisations surrounding business registers, with the U.K. and U.S. governments, European agencies and other defense, aerospace and law enforcement organisations.

Patrick was a contributing author to the UK Government Office of Science Report on "Distributed Ledger Technologies: Beyond Blockchains" and is active in enabling the adoption of blockchains by government, industry and authorities.

Kyckr's Chairman, Mr Albert Wong commented, "we are excited to have attracted someone of Patrick's calibre, experience and influence with links to organisations such as Europol, Interpol and other global authorities where our corporate identity capabilities can add such dramatic value".

## **About Kyckr Limited**

Kyckr provides commercially proven KYB (Know Your Customer for businesses) services:

- Using the most authoritative, legally compliant information with the greatest provenance from over 180 business registers around the world,
- Applying as much automation as possible to reduce costs and increase efficiency, and
- Maintaining an up to date view on business customers and suppliers.

KYB decisions supported by our services include on-boarding new customers and the cleansing & remediation of existing customer books. Our clients are banks and other sectors that require protection against money laundering, terrorism financing and tax fraud. We have no information databases, nor do we store data, as we access the business registers directly for every KYB decision.
