Dear Mr Litis

REQUEST FOR TRADING HALT

I refer to our telephone conversation earlier today.

I confirm that Webjet Limited ACN 004 336 636 (**Webjet**) seeks a trading halt under ASX Listing Rule 17.1, commencing at 9.30am on 6 June 2016.

Webjet is seeking a trading halt in order to conduct an offer of new shares to existing shareholders of Webjet registered in Australia and New Zealand (and other jurisdictions determined by Webjet) pursuant to an accelerated non-renounceable rights issue (**Rights Issue**). Funds raised under the Rights Issue will be used to fund the acquisition of the Online Republic group of companies (which is to be announced to the market today after the grant of the trading halt by ASX) and other growth opportunities.

Webjet seeks a trading halt until opening of trading on 8 June 2016 at which time it expects to be able to make an announcement regarding the completion of the institutional component of the Rights Issue to ASX.

Webjet is not aware of any reason why the trading halt should not be granted by ASX and does not believe that there is any further information which needs to be disclosed to the market at the time of seeking the trading halt.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Michael Sheehy
Company Secretary, Webjet Limited
