VOTING EXCLUSIONS

Resolution 1

In accordance with the Corporations Act (2001) (Corporations Act), the Company will disregard:-

- (a) any votes cast (in any capacity) on Resolution 1 by or on behalf of
 - (i) a member of the Key Management Personnel listed in the Remuneration Report (KMP); or
 - (ii) a KMP's Closely Related Party; and
- (b) any votes cast as a proxy on Resolution 1 by any other person who is a member of the KMP at the date of the meeting, or by a Closely Related Party of any such person.

Closely Related Party is defined in the Corporations Act and includes a spouse, dependant and certain other close family members, as well as any companies controlled by the KMP.

However the Company need not disregard a vote cast on Resolution 1 if it is cast:

- (a) by any person referred to above as proxy for a person entitled to vote on the Resolution, in accordance with a direction in the proxy appointment specifying how the proxy is to vote on the Resolution; or
- (b) by the person chairing the meeting as proxy for a person entitled to vote on the Resolution where the proxy appointment does not specify the way the proxy is to vote on the Resolution and expressly authorises the Chairman to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the KMP for the Company.

Please read the information under the heading 'Chairman as proxy' which deals with the Chairman's voting of undirected proxies on Resolution 1.

If you are a member of the KMP or a Closely Related Party of any such member, you may be held liable for breach of the voting restrictions in the Corporations Act if you cast a vote that the Company will disregard.

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2016 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.globalgold.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

3. RESOLUTIONS 2, 3 & 4 – ELECTION OF DIRECTOR – MICHAEL SOUCIK, LEONARD MATH AND DANIEL SMITH

Clause 11.11 of the Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to clause 11.12 of the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Michael Soucik (appointed 25 May 2016), Mr Leonard Math (appointed 25 May 2016) and Mr Daniel Smith (appointed 20 September 2016), having been appointed on the dates indicated will retire in accordance with clause 11.12 of the Constitution and ASX Listing Rule 14.4 and being eligible, seek election from Shareholders. A biography for each of Messrs Soucik, Math and Smith are set out in the Company's annual financial report for the year ended 30 June 2016.

The Board of Directors, excluding Mr Soucik, recommend that Shareholders vote in favour of Resolution 2.

The Board of Directors, excluding Mr Math, recommend that Shareholders vote in favour of Resolution 3.

The Board of Directors, excluding Mr Smith, recommend that Shareholders vote in favour of Resolution 4.

4. RESOLUTION 5 – CONSOLIDATION OF CAPITAL

4.1 Background

The Directors propose the consolidation of capital for the following reasons:

- (a) the Company currently has 1,580,300,001 Shares on issue which represents a relatively large number when compared to its peer group listed on the ASX; and
- (b) the consolidation of capital will result in a more appropriate and effective capital structure for the Company and a Share price that may be more appealing to a wider range of investors, particularly institutional investors, globally.

Assuming Resolution 5 is passed, the number of Shares on issue will be reduced from 1,580,300,001 to 52,676,667 (subject to rounding). There are no options currently on issue.

4.2 Legal requirements

Section 254H of the Corporations Act provides that a company may, by resolution passed in a general meeting, convert all or any of its shares into a larger or smaller number.

4.3 Fractional entitlements

Not all Shareholders will hold that number of Shares (as the case may be) which can be evenly divided by thirty (30). Where a fractional entitlement occurs, the Company will round that fraction up to the nearest whole Share.

4.4 Taxation

It is not considered that any taxation implications will exist for Shareholders arising from the Consolidation. However, Shareholders are advised to seek their own tax advice on the effect of the Consolidation and the Company does not accept any responsibility for the individual taxation implications arising from the Consolidation.

4.5 Holding statements

From the date of the Consolidation, all holding statements for Shares will cease to have any effect, except as evidence of entitlement to a certain number of Shares on a post-Consolidation basis. After the Consolidation becomes effective, the Company will arrange for new holding statements for Shares to be issued to holders of those Shares. It is the responsibility of each Shareholder to check the number of Shares held prior to disposal or exercise (as the case may be).

4.6 Effect on capital structure

The effect which the Consolidation will have on the Company's capital structure is set out in the table below.

Capital Structure	Shares
Pre-Consolidation Shares	1,580,300,001
Post-Consolidation of Shares	52,676,667*

**Subject to rounding*

4.7 Indicative timetable*

If Resolution 5 is passed, the reduction of capital will take effect in accordance with the following timetable (as set out in Appendix 7A (paragraph 8) of the ASX Listing Rules):

Action	Date
Company announces Consolidation	14 October 2016
Company sends out Notice of Meeting	20 October 2016
Company tells ASX that Shareholders have approved the Consolidation	21 November 2016
Last day for pre-Consolidation trading	23 November 2016
Post-Consolidation trading starts on a deferred settlement basis	23 November 2016
Last day for Company to register transfers on a pre-Consolidation basis	24 November 2016
First day for Company to send notice to each holder of the change in their details of holdings	25 November 2016
First day for the Company to register Shares on a post-Consolidation basis and first day for issue of holding statements	25 November 2016
Change of details of holdings date. Deferred settlement market ends	1 December 2016
Last day for Shares to be entered into holders' Share holdings	1 December 2016
Last day for the Company to send notice to each holder of the change in their details of holdings	1 December 2016

* - The timetable is indicative only and is subject to change.

5. RESOLUTION 6 – REPLACEMENT OF CONSTITUTION

5.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 6 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in 2007. The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- (a) updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and

- (b) expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website www.globalgold.com.au and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9463 2463). Shareholders are invited to contact the Company if they have any queries or concerns.

5.2 Summary of material proposed changes

Minimum Shareholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

Clause 25 in the Proposed Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the Corporations Act.

Fee for registration of off market transfers (new clause 7.4)

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 7.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders.

Partial (proportional) takeover provisions (new clause 9)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- b) assisting in preventing Shareholders from being locked in as a minority;
- c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- a) proportional takeover bids may be discouraged;
- b) lost opportunity to sell a portion of their Shares at a premium; and
- c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 6.

Instructions for completing Proxy Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.

 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
