EXPLANATORY MEMORANDUM GENERAL INFORMATION

This Explanatory Memorandum contains an explanation of, and information about, the Resolutions to be considered at the Annual General Meeting of Shareholders of Avalon Minerals Ltd, to be held on **Wednesday 16 November 2016**.

The Explanatory Memorandum is to assist Shareholders in understanding the background to and the legal and other implications of the Notice of Meeting and the reasons for the Resolutions proposed. Shareholders should read the Explanatory Memorandum in full.

The Explanatory Memorandum forms part of the accompanying Notice of Meeting and should be read with the Notice of Meeting.

The Explanatory Memorandum does not take into account the individual investment objectives, financial situation and needs of individual Shareholders or any other person. If you are in doubt about what to do in relation to the Resolutions, you should consult your financial or other professional adviser.

Capitalised words used in the Notice of Meeting and in the Explanatory Memorandum are defined in the Glossary at the end of the Explanatory Memorandum.

The information contained in this Explanatory Memorandum has been prepared by the Company and is the responsibility of the Company. Other than the information set out in this Explanatory Memorandum, the directors believe that there is no other information that could reasonably be required by Shareholders to consider Resolutions 1 to 6 (inclusive).

A copy of the Notice of Meeting and Explanatory Memorandum was lodged with the ASX pursuant to the Listing Rules and ASIC in accordance with section 218 of the Corporations Act. Neither the ASX or ASIC nor any of their officers take any responsibility for the contents of this Notice of Meeting and Explanatory Memorandum.

ORDINARY BUSINESS

Financial Statements and Reports

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Annual Report together with the declaration of the directors, the directors' report, the Remuneration Report and the auditors' report.

The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so. The Company's Annual Report can be found on its website at www.avalonminerals.com.au.

Resolution 1 – Adoption of Remuneration Report

Remuneration Report

The Remuneration Report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The Remuneration Report is part of the directors' report contained in the Annual Report.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

“Two Strikes”

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report of the company be adopted must be put to the Shareholders. However, such a resolution is advisory only and will not bind the directors or the Company.

The *Corporations Amendment (Improving Accountability on Director and Executive Remuneration) Act 2001* (Cth) which came into effect on 1 July 2011, amended the Corporations Act to provide that Shareholders will have the opportunity to remove the whole Board except the Managing Director if the Remuneration Report receives a 'no' vote of 25% or more (Strike) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution (Spill Resolution) on whether another meeting should be held (within 90 Days) (Spill Meeting), at which all Directors (other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report, must cease to hold office immediately before the end of the Spill Meeting and must stand for re-election, unless the Company put to Shareholders a Spill Resolution at the first annual general meeting.

The Company did not receive a Strike at its 2015 Annual General Meeting and as a result, if the Remuneration Report receives a Strike at this Meeting, the Company will not be required to put a Spill Resolution. However, if the Remuneration Report receives a Strike at this Meeting and a second Strike at the 2017 Annual General Meeting, the Company is then required to put a Spill Resolution.

Proxies

Resolution 1 is an ordinary resolution.

The Corporations Act places certain restrictions on the ability of “Key Management Personnel” (including the Chairman of the Meeting) and their “Closely Related Parties” to vote on Resolution 1 and also places restrictions on “Key Management Personnel” and their “Closely Related Parties” where they are voting as proxy for another shareholder on resolutions connected with the remuneration of Key Management Personnel.

To ensure that your vote is counted on Resolution 1, you are encouraged to direct your proxy how to vote on that item by indicating your preference by completing the “For”, “Against” or “Abstain” boxes on the Proxy Form. If you provide an undirected proxy in relation to Resolution 1 to a director (other than the Chairman of the Meeting) or other Key Management Personnel or their Closely Related Parties, such a proxy will not vote on Resolution 1. To allow such a proxy to vote on Resolution 1, you must direct the proxy how to vote by completing the “For”, “Against” or “Abstain” boxes on the Proxy Form.

If you appoint the Chairman of the Meeting as your proxy in relation to Resolution 1, but do not complete the “For”, “Against” or “Abstain” boxes on the Proxy Form for Resolution 1, the Chairman will exercise your proxy even though Resolution 1 is connected directly or indirectly with the remuneration of Key Management Personnel. The Chairman intends to vote all available proxies in favour of Resolution 1. If you wish to appoint the Chairman as proxy with a direction to vote against, or to abstain from voting on, Resolution 1 you must specify this by completing the “Against” or “Abstain” box on the Proxy Form.

RESOLUTION 2 to 4 – Approval for issue of Shares to Directors

Background

Resolutions 2 to 4 seek to obtain Shareholder approval pursuant to Listing Rule 10.11 for the issue of a total of 2,578,125 fully paid ordinary shares to three (3) directors of the Company, in lieu of directors' fees for the period 1 January 2016 to 30 June 2016 owing to each as described in the table below:

Director	Shares	\$ Value
Mr Graham Ascough	1,171,875	\$37,500
Mr Crispin Henderson	703,125	\$22,500
Mr Don Hyma	703,125	\$22,500

Listing Rules

Listing Rule 10.11 provides that a company must not, subject to specified exceptions, issue or agree to issue equity securities to a related party, which includes a Director, without shareholder approval. If approval is given under Listing Rule 10.11, approval is not required under Listing Rule 7.1.

Corporations Act 2001 (Cth)

Pursuant to Chapter 2E of the Corporations Act, a public company cannot give "a financial benefit" to a "related party", which includes a director, unless one of the exceptions to the section apply or Shareholders, at a general meeting, approve the giving of that financial benefit to the related party.

Section 210 of the Corporations Act provides that one of the exceptions to the requirement to obtain shareholder approval for giving a financial benefit to a related party is where the benefit is given at arm's length, that is on terms that:

- (a) would be reasonable in the circumstances if the public company and the related party were dealing at arms' length; or
- (b) are less favourable to the related party than the terms referred to in paragraph (a).

The Managing Director considers that the proposed issue of securities the subject of Resolutions 2 to 4 is on arm's length terms and, as such, fall within the exception set out in section 210 of the Corporations Act. The Managing Director has reached this view as the issue of the shares is in lieu of cash directors' fees owing to the directors, with the valuation of the shares as at the date of this Notice of Meeting being equal to the cash directors' fees owing using the 30 day VWAP for Avalon Minerals Ltd shares as at 10 October 2016, being \$0.032 per share (rounded to 3 decimal places). The VWAP for the 6 month period that the outstanding directors' fees relates to is \$0.019 per share.

RESOLUTION 2 – Approval for issue of Shares to Director - Mr Graham Ascough

The following information is provided in accordance with the requirements of Listing Rule 10.13:

- (a) The securities which are the subject of Resolution 2, are to be issued to Mr Ascough (or his nominee/s), a director of the Company;
- (b) The maximum number of shares to be issued is 1,171,875 fully paid ordinary shares;
- (c) The securities will be issued no later than one (1) month after the date of the Meeting (or such later date as may be permitted by an ASX waiver of the Listing Rules);
- (d) The issue price of the shares will be Nil;
- (e) The issue of the shares are in lieu of cash directors' fees owing in the sum of \$37,500;
- (f) The number of shares to be issued have been calculated using the 30 day VWAP for Avalon Minerals Ltd shares as at 10 October 2016, being \$0.032 per share;
- (g) The shares will rank equally with the Company's existing listed fully paid ordinary shares. The Company will apply to ASX for admission of the shares issued for quotation on ASX;
- (h) The issue of securities to Mr Ascough will not raise any funds, however will save the outflow of \$37,500 in cash for directors' fees owing.

Mr Ascough declines to make a recommendation to Shareholders in relation to Resolution 2 due to his material personal interest in the outcome of the Resolution. The other directors, who do not have a material interest in the outcome of Resolution 2, recommend that Shareholders vote in favour of Resolution 2. The Board, other than Mr Ascough, are not aware of any other information which would reasonably be required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 2.

Recommendation: The Board, with Mr Ascough abstaining, unanimously recommends that Shareholders vote in favour of Resolution 2.

RESOLUTION 3 – Approval for issue of Shares to Director - Mr Crispin Henderson

- (g) The shares will rank equally with the Company's existing listed fully paid ordinary shares. The Company will apply to ASX for admission of the shares issued for quotation on ASX;
- (h) The issue of securities to Mr Henderson will not raise any funds, however will save the outflow of \$22,500 in cash for directors' fees owing.

Mr Henderson declines to make a recommendation to Shareholders in relation to Resolution 3 due to his material personal interest in the outcome of the Resolution. The other directors, who do not have a material interest in the outcome of Resolution 3, recommend that Shareholders vote in favour of Resolution 3. The Board, other than Mr Henderson, are not aware of any other information which would reasonably be required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 3.

Recommendation: The Board, with Mr Henderson abstaining, unanimously recommends that Shareholders vote in favour of Resolution 3.

RESOLUTION 4 – Approval for issue of Shares to Director - Mr Don Hyma

- (a) The securities which are the subject of Resolution 4, are to be issued to Mr Hyma (or his nominee/s), a director of the Company;
- (b) The maximum number of shares to be issued is 703,125 fully paid ordinary shares;

- (g) The shares will rank equally with the Company's existing listed fully paid ordinary shares. The Company will apply to ASX for admission of the shares issued for quotation on ASX;
- (h) The issue of securities to Mr Hyma will not raise any funds, however will save the outflow of \$22,500 in cash for directors' fees owing.

Mr Hyma declines to make a recommendation to Shareholders in relation to Resolution 4 due to his material personal interest in the outcome of the Resolution. The other directors, who do not have a material interest in the outcome of Resolution 4, recommend that Shareholders vote in favour of Resolution 4. The Board, other than Mr Hyma, are not aware of any other information which would reasonably be required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 4.

Recommendation: The Board, with Mr Hyma abstaining, unanimously recommends that Shareholders vote in favour of Resolution 4.

RESOLUTION 5 – Re-election of Director – Mr Graham Ascough

SPECIAL BUSINESS

RESOLUTION 6 – Approval of 10% Placement Facility

Purpose of resolution

The purpose of Resolution 6 is to enable the directors to issue Equity Securities up to 10% of the Company's issued share capital under Listing Rule 7.1A during the 12 month period following this Meeting (**10% Placement Period**), without subsequent Shareholder approval and without using the Company's 15% placement capacity under Listing Rule 7.1 (**Placement Facility**).

Resolution 6 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 6 for it to be passed.

Recommendation: The Board recommends that Shareholders vote in favour of Resolution 6.

General information

Listing Rule 7.1A enables "eligible entities" to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity for the purposes of Listing Rule 7.1A as it is not included in the S&P/ASX 300 Index and has a market capitalisation of \$11.4 million (on the basis of the Company's share price of \$0.022 on 10 October 2016).

If Shareholders approve Resolution 6, the exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to the formula for calculating 10% Placement Facility set out in (iii) below).

Description of Listing Rule 7.1A

(i) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(ii) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice of Meeting, has on issue one class of Equity Securities, namely Shares.

(iii) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- a) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- b) plus the number of partly paid shares that became fully paid in the 12 months;
- c) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- d) less the number of fully paid shares cancelled in the 12 months.

Note that **A** has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

(iv) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 520,439,436 Shares and therefore has a capacity to issue:

- a) Subject to obtaining shareholder approval under Resolutions 2 to 4 (inclusive), 78,065,915 Equity Securities under Listing Rule 7.1; and
- b) Subject to Shareholder approval being sought under this Resolution 52,043,944 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities, or the agreement date, in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to the formula for calculating 10% Placement Facility set out in (iii) (above)).

(v) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the volume weighted average price of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- b) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

(vi) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- b) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to the approval of the 10% Placement Facility:

7.3A.1 Minimum Price

The Equity Securities will be issued at an issue price in accordance with (v) above.

7.3A.2 Risk of voting dilution

If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table in Appendix 1 to this Explanatory Memorandum. There is a risk that:

- a) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- b) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of

consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table in Appendix 1 shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

7.3A.3 *Date of issue*

The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

7.3A.4 *Purpose of issue under 10% Placement Facility*

The Company may seek to issue the Equity Securities for the following purposes:

- a) non-cash consideration for the acquisition of the new resources assets and other investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or

APPENDIX 1

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable “A” calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The table also shows:

- (i) an example where variable “A” has increased by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- (ii) an example of the result of the issue price of ordinary securities decreasing by 50% and increasing by 100% as against the current market price.

Variable ‘A’ in Listing Rule 7.1A.2		Dilution		
		\$0.011 50% decrease in Issue Price	\$0.022 Issue Price	\$0.044 100% Increase in Issue Price
Current Variable A 520,439,436 Shares	10% Voting Dilution	52,043,944 Shares	52,043,944 Shares	52,043,944 Shares
	Funds raised	\$ 572,483	\$ 1,144,967	\$ 2,289,934
50% increase in current Variable A 780,659,154 Shares	10% Voting Dilution	78,065,916 Shares	78,065,916 Shares	78,065,916 Shares
	Funds raised	\$ 858,725	\$ 1,717,450	\$ 3,434,900
100% increase in current Variable A 1,040,878,872 Shares	10% Voting Dilution	104,087,887 Shares	104,087,887 Shares	104,087,887 Shares
	Funds Raised	\$ 1,144,967	\$ 2,289,934	\$ 4,579,867

The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

- (i) The current Shares on issue are the Shares on issue as at the date of this Notice of Meeting.
- (ii) The current issue price is \$0.022, being the closing price of the Company's Shares on ASX on 10 October 2016.
- (iii) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (iv) No Options or Performance Rights (including any issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- (v) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (vi) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (vii) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
