Dear Sirs

**Renewal of tenement E80/2232**

In its quarterly reported dated 28 July 2016 Navigator Resources Limited (ASX:NAV) (**Company**) indicated that it had requested a one-year extension of term for its Cummins Range Project, being exploration licence E80/2232. The Company is pleased to advise that an extension has been granted on the tenement until 3 March 2017.

The Cummins Range Project is located 130km southwest of Halls Creek in the East Kimberley, Western Australia. The Cummins Range Project consists of one exploration licence, E80/2232, which covers 48.5km<sup>2</sup>. The Cummins Range Project is 100% held by Navigator Resources Limited.

If you have any queries, please contact the undersigned on +61 2 8072 1400.

**Yours faithfully**

**Alistair McKeough**  
Company Secretary
