Dear Anjuli

In accordance with Listing Rule 17.1, the Company requests an immediate trading halt in respect of its securities.

The trading halt is requested pending an announcement concerning the resultant Company's capital structure for expansion into new markets, creating a European distribution hub, expansion of operation premises as well as increasing inventory to expedite sales into existing and expanding markets.

The Company requests that the trading halt remains in place until the earlier of the commencement of trading before 10am on Friday 15 April, 2016, or such time as the Company is able to make an announcement regarding the transaction.

The Company is not aware of any reason why the halt should not be granted.

Yours Sincerely
