About Syntonic

Syntonic is a Seattle based software company which has developed two technology services: Freeway by Syntonic, allows free-of-charge, mobile internet access on smartphones by having advertisers sponsoring the data; and Syntonic DataFlex, allows businesses to manage split billing expenses for employees when using their personal mobile phones for work. Founded in 2013, Syntonic has developed worldwide strategic partnerships with leaders in the mobile ecosystem. To learn more about Syntonic, visit www.syntonic.com.
