ASX ANNOUNCEMENT

13 April 2016

RedChip International Announces Contract with DigitalX Limited

RedChip International Limited (ASX: R3D) (**RedChip**), a global investor relations and digital media firm, is pleased to announce the signing of a contract with DigitalX Limited (ASX: DCC) (**DigitalX**).

Dave Gentry, CEO of RedChip, stated, "We just began trading on March 23, and we've already added another Australian client to our account roster. With a track record of more than 20 years of experience helping smaller-cap companies, we're confident we've positioned RedChip for success as it continues to expand in Australia and Asia."

DigitalX operates as an innovative software solutions company, providing investors exposure to the global digital payments systems industry through disruptive fintech solutions in the remittance and digital currency sectors.

DigitalX has developed a suite of new and innovative software for institutions and consumers, leveraging Blockchain technology and the secure ledger system to create new and innovative products for institutions and consumers. Its most recent product, AirPocket, is designed to provide consumers with the ability to securely and cost-effectively send remittances in any currency, from anywhere, anytime, regardless of the transaction size.

"We're very excited to bring DigitalX onto the RedChip platform. Their cutting-edge work in the burgeoning blockchain space has positioned them to become a disruptive force in the global remittance market," concluded Gentry.

DigitalX is based in Perth, Australia and has offices in the U.S. in Boston and New Jersey.
