

21 September 2016

**NATIONAL AUSTRALIA BANK LIMITED**

**ISSUE OF A\$150,000,000 FIXED RATE SUBORDINATED MEDIUM TERM NOTES DUE 2026  
and A\$650,000,000 FLOATING RATE SUBORDINATED MEDIUM TERM NOTES DUE 2026**

**NOTICE UNDER SECTION 708A(12H)(e) CORPORATIONS ACT 2001 (CTH)**

Pursuant to its domestic Debt Issuance Programme, National Australia Bank Limited ("**Issuer**") will today issue to institutional investors:

- A\$150,000,000 fixed rate subordinated medium term notes due 2026 ("**Fixed Rate Subordinated MTNs**"); and
- A\$650,000,000 floating rate subordinated medium term notes due 2026 ("**Floating Rate Subordinated MTNs**"),

(together, the "**Subordinated MTNs**").

The Subordinated MTNs convert into fully paid ordinary shares of the Issuer (or, in certain circumstances, an Approved NOHC) where the Australian Prudential Regulation Authority ("**APRA**") determines this to be necessary on the grounds that the Issuer would otherwise become non-viable.

This notice is a cleansing notice prepared for the purposes of section 708A(12H)(e) of the Corporations Act 2001 (Cth) ("**Corporations Act**") (as inserted by ASIC Corporations (Regulatory Capital Securities) Instrument 2016/71) to enable fully paid ordinary shares in the Issuer ("**Ordinary Shares**") or an Approved NOHC issued on conversion of the Subordinated MTNs to be freely tradeable without further disclosure and includes:

- in schedule 1, a description of the commercial particulars of the Fixed Rate Subordinated MTNs, extracted from the Fixed Rate Subordinated MTN Pricing Supplement dated 20 September 2016;
- in schedule 2, a description of the commercial particulars of the Floating Rate Subordinated MTNs, extracted from the Floating Rate Subordinated MTN Pricing Supplement dated 20 September 2016; and
- in schedule 3, a description of the rights and liabilities attaching to Ordinary Shares.

A description of the rights and liabilities attaching to the Subordinated MTNs is contained in the "MTN Terms and Conditions" section of the Information Memorandum for the Issuer's domestic Debt Issuance Programme dated 31 August 2016 ("**Information Memorandum**") that was lodged with the Australian Securities Exchange ("**ASX**") on 1 September 2016.

Words and expressions defined in the Information Memorandum have the same meanings in this cleansing notice unless the contrary intention appears.

The issue of Subordinated MTNs by the Issuer will not have a material impact on the Issuer's financial position. If a Non-Viability Trigger Event occurs and the Issuer issues Ordinary Shares, the impact of Conversion on the Issuer would be to increase the Issuer's shareholders' equity. The

number of Ordinary Shares issued on Conversion is limited to the Maximum Conversion Number. The Maximum Conversion Number is 183.5536 Ordinary Shares per Subordinated MTN (with a denomination of A\$1,000), based on an Issue Date VWAP of A\$27.24.

As a disclosing entity, the Issuer is subject to regular reporting and disclosure obligations under the Corporations Act and ASX Listing Rules. Broadly, these obligations require the Issuer to prepare and lodge with the Australian Securities & Investments Commission ("**ASIC**") both yearly and half yearly financial statements, to report on its operations during the relevant accounting periods, and to obtain audit or review reports from its auditor in respect of those accounting periods.

Copies of documents lodged with ASIC may be obtained from or inspected at an ASIC office.

The Issuer must ensure that the ASX is continuously notified of information about specific events and matters as they arise for the purposes of ASX making the information available to the Australian securities market. In this regard, the Issuer has an obligation under the Corporations Act and ASX Listing Rules (subject to certain exceptions) to notify the ASX immediately of any information concerning it of which it becomes aware, and which a reasonable person would expect to have a material effect on the price or value of its quoted securities.

The Issuer will provide a copy of any of the following documents free of charge to any person who requests a copy before the Subordinated MTNs are issued:

- the Information Memorandum;
- the Issuer's annual financial report for the year ended 30 September 2015;
- the Issuer's consolidated financial report and dividend announcement for the half year ended 31 March 2016;
- any continuous disclosure notices given by the Issuer in the period after the lodgement of the annual financial report of the Issuer for the year ended 30 September 2015 and before the date of this notice; and
- the Issuer's constitution.

All written requests for copies of the above documents should be addressed to:

Company Secretary  
National Australia Bank Limited  
Level 1  
800 Bourke Street  
Docklands VIC 3008

These documents are also available at [www.nabgroup.com](http://www.nabgroup.com).

This Notice is not a prospectus or other disclosure document in relation to the Subordinated MTNs, and does not constitute an offer or invitation for the Subordinated MTNs or any Ordinary Shares for issue or sale in Australia. Subordinated MTNs are only available for sale to persons in Australia in circumstances where disclosure is not required in accordance with Part 6D.2 of the Corporations Act and the sale is not to a retail client for the purposes of Chapter 7 of the Corporations Act.

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION IN WHOLE OR IN PART IN OR INTO THE UNITED STATES.

The Subordinated MTNs have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or any other applicable U.S. state securities laws and, accordingly, may not be offered, sold, pledged or otherwise transferred within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S of the Securities Act) except (i) pursuant to an exemption from registration under the Securities Act or to an effective registration statement under the Securities Act covering the Subordinated MTNs and (ii) in accordance with all applicable state securities laws of any state of the United States. This notice does not constitute an offer or invitation to any U.S. persons.

## Schedule 3 – Description of the rights and liabilities attaching to Ordinary Shares

The rights and liabilities attaching to the Ordinary Shares issued on conversion of the Subordinated MTNs are set out in the constitution of the Issuer ("**Constitution**") and are also regulated by the Corporations Act, ASX Listing Rules and the general law.

The following is a non-exhaustive summary of the main rights attaching to Ordinary Shares:

- (**voting rights**) the right to one vote per Ordinary Share at general meetings of the Issuer;
- (**transfer rights**) the right to transfer Ordinary Shares in accordance with the Constitution;
- (**dividend entitlement**) subject to the rights of holders carrying preferred rights, the right to receive dividends on that Ordinary Share, if and when they are declared;
- (**right to receive information**) the right to receive information required to be distributed under the Corporations Act and ASX Listing Rules; and
- (**winding up**) subject to the rights of holders of shares carrying preferred rights, the right to participate in a surplus of assets on a winding up of the Issuer.
