FGF APPOINTS SENECA AS CORPORATE INVESTMENT ADVISOR

First Growth Funds Limited (FGF or the Company) (ASX:FGF) is pleased to announce the appointment of Seneca Financial Solutions Pty Ltd (“Seneca”) as “Corporate Investment Advisor” to the Company.

Seneca provides corporate advisory and investor relations strategy advice for emerging growth businesses. Seneca is one of the few institutional grade corporate advisors specialising in alternative investments and frontier technology companies on the ASX.

FGF believes the appointment of Seneca will provide long term strategic value given Seneca's particular expertise in the small and microcap space and its extensive networks with institutional and sophisticated investors.

FGF's key responsible advisor at Seneca will be Cameron Low, Director of Corporate Advisory. Before Seneca, Cameron spent years working at companies such as Acorn Capital, UniSuper and Deloitte in the area of funds management, equity and quantitative research and financial modelling.

FGF's Chairman, Mr Geoff Barnes, said “We are pleased to have Seneca on board as we seek and identify opportunities in the technology and alternative investments that can bring reward and value to our shareholders”.

For further information regarding Seneca and their services, please visit their website at www.senecafs.com.au.
