

STOKES appointed national distributor of AT&T Cabling Systems

07th April 2016, Melbourne: Stokes Limited (ASX:SKS) via its **Dueltek Distribution** business is pleased to announce it has been appointed a national distributor of structured cabling system provider **AT&T Cabling Systems**.

AT&T Cabling Systems provides complete and state of the art LAN cabling solutions and components in Copper, Optical Fiber and Data Center for all needs of enterprise customers.

AT&T Cabling Systems product lines includes the following solutions families:

- AT&T CopperLine™
- AT&T FiberLine™
- AT&T CenterLine™
- AT&T OutdoorLine™
- AT&T RackLine™

AT&T Cabling Systems Solutions are backed by AT&T Millennium™ life time performance warranty

The AT&T brand is well recognised in Australia and Stokes will accelerate its growth via its existing sales and distribution network.

The AT&T cabling system distribution adds to an already extensive range of products the company has established in its audio visual, IT and lighting businesses.
