1. Information on Sea Harvest

1.1 Overview of Sea Harvest

Sea Harvest is a wholly-owned subsidiary of Sea Harvest Holdings, a South African proprietary limited company. Established in 1964 in the fishing village of Saldanha Bay on the west coast of South Africa, the Sea Harvest Group has developed into one of the leading whitefish businesses in South Africa. The Sea Harvest Group's principal business is deep-sea trawling of the groundfish species called Hake (*Merluccius paradoxus* & *Merluccius capensis*), processing of the catch into frozen and chilled seafood and the marketing of these products both locally and internationally. The Sea Harvest Group currently operates 18 trawler vessels (14 fresh fish and four freezers) in South African territorial waters.

The Sea Harvest Group has rights to approximately 26% of the available annual demersal Hake allowable catch allocated by the South African Department of Agriculture, Forestry and Fisheries and operates three factories in Saldanha Bay and Mossel Bay, has offices in Cape Town, Durban and Johannesburg and employs approximately 2,400 people.

In addition to being one of the leading suppliers of Hake product in South Africa under the Sea Harvest brand, the Sea Harvest Group's products are sold in over 22 different countries, predominantly in the developed world, with Australia representing the Sea Harvest Group's second largest international market. The Sea Harvest Group's strategy is to invest in well managed, sustainable, vertically integrated fishing and agri-businesses around the world. With populations increasing, and increasing demand for sustainably wild caught products, the Sea Harvest Group believes that capturing this space makes good commercial sense. Importantly, the Sea Harvest Group targets investments in sustainable fisheries, with the South African operation holding the gold standard Marine Stewardship Council (**MSC**) certification for sustainability. The Shark Bay Prawn Managed Fishery in which Mareterram Fisheries operates now too holds this MSC certification.

In the financial year ended 31 December 2015, Sea Harvest Holdings generated consolidated revenues of ZAR 1.37 billion (approximately \$119.6 million at the Exchange Rate) and an operating profit before interest of ZAR 130 million (approximately \$11.4 million at the Exchange Rate). Sea Harvest Holdings has consolidated total assets totalling ZAR 1.12 billion (approximately \$97.9 million at the Exchange Rate) and continuously invests in its assets, with the Sea Harvest Group investing in excess of \$30 million on vessels and factories in the last two years.

Sea Harvest Holdings' majority shareholder is Brimstone which holds an 85% interest in the company. In line with Brimstone's philosophy of aligning management and staff with other shareholders, the balance of the shares in Sea Harvest Holdings are held by management and staff.

Sea Harvest Holdings and Sea Harvest Corporation have previously entered into the Earn Out and Equity Participation Agreement with Mareterram and Mareterram Trading which provides certain rights to the Sea Harvest Group. In particular, the Sea Harvest Group has the right to:

- an incentive payment of between \$500,000 and \$750,000, subject to the attainment of certain performance targets;
- to nominate a non-executive director to Mareterram's board of directors (which Sea Harvest has exercised by nominating Felix Ratheb to the Mareterram Board); and
- maintain its percentage shareholding in Mareterram (**Anti-Dilution Right**).

The Sea Harvest Group's Anti-Dilution Right lapses if (among other things) the Sea Harvest Group's voting power in Mareterram exceeds 25%. It is expected that the Anti-Dilution Right will lapse during the Offer Period (subject to acceptances of the Offer by Mareterram Shareholders). If the Offer does not complete (including as a result of an insufficient number of Mareterram Shareholders accepting the Offer), Sea Harvest Group's Anti-Dilution Right will continue.

1.7 Supply and Distribution Agreement

Sea Harvest Corporation has entered into the Supply and Distribution Agreement with Mareterram Trading which grants Mareterram Trading a renewable exclusive right to market, sell and distribute certain fish products, including improved products of Sea Harvest Corporation, within Australia until 18 December 2017. The agreement requires Mareterram Trading to sell (and Sea Harvest Corporation commits to deliver) certain minimum tonnages of the products to preserve the exclusive right.

2.5 Disclaimer

The information in this section 2 concerning Mareterram has been prepared by Sea Harvest using publicly available information. Neither Sea Harvest nor any of its directors or advisers has independently verified that information (either directly with Mareterram or its directors or otherwise) and do not make any representation or warranty, express or implied, as to the accuracy, or completeness of such information, other than as required by the Corporations Act.

The information on Mareterram in this Bidder's Statement should not be considered comprehensive.

3. Sea Harvest's intentions

3.1 Overview

This section 3 sets out Sea Harvest's intentions in relation to the following:

- (a) the continuation of the businesses of Mareterram;
- (b) any major changes to the businesses of Mareterram and any redeployment of the fixed assets of Mareterram;
- (c) major changes to the board of Mareterram; and
- (d) the future employment of the present employees of Mareterram.

Sea Harvest is a wholly owned subsidiary of Sea Harvest Holdings. Accordingly, the intentions, views, understanding and beliefs of Sea Harvest as set out in this Bidder's Statement are the same as those of Sea Harvest Holdings and are both collectively referred to as the intentions of Sea Harvest in this section 3.

These intentions are based on the information concerning Mareterram, its businesses and the general business environment which is known to Sea Harvest at the time of preparation of this Bidder's Statement.

The statements set out in this section 3 are statements of current intention only and may vary as new information becomes available or circumstances change. Final decisions will only be reached in light of all material facts and circumstances. The statements in this section 3 should be read in this context.

3.2 Sea Harvest's Intentions

At the date of this Bidder's Statement, Sea Harvest has a Relevant Interest in 19.9% of Mareterram Shares. If all Mareterram Shareholders accept the Offer, Sea Harvest will hold up to a maximum of 83,184,964 Mareterram Shares, representing 59.6% of Mareterram, thereby becoming a controlling Mareterram Shareholder.

The statements set out in this section 3.2 are Sea Harvest's current intentions and apply irrespective of the outcome of the Offer. Following the Offer Period, Sea Harvest may acquire further Mareterram Shares or sell down its shareholding in Mareterram, subject to the Corporations Act.

Mareterram's operating businesses and employees

Sea Harvest has no intention to use its increased shareholding in Mareterram to make any major changes to the business of Mareterram, including in respect of the deployment of its fixed assets and the employment of present management and employees.

It is important to Sea Harvest that Mareterram continues with its current strategy of developing a vertically integrated agri-business. Sea Harvest fully supports Mareterram's board and management and its organic and acquisitive growth strategy.

Mareterram will therefore continue to operate as is, with Mareterram being anticipated to be able to better access the people, systems and expertise of the Sea Harvest Group to achieve synergies in a number of areas including purchasing power, maintenance and support of vessels, engineering, sales and marketing, IT, risk management, fishing practices, OH&S and quality control.

With a 52 year history in fishing, the Sea Harvest Group has significant expertise in fishing, processing, engineering, refrigeration, sales and marketing, brands, distribution and warehousing and back office services. It is anticipated that these skills will be leveraged by Mareterram in order to generate synergies and economies of scale for the benefit of all Mareterram Shareholders.

Mareterram Board composition

If Sea Harvest acquires a Relevant Interest in 50.1% or more of Mareterram and the Offer is declared unconditional, it is intended that Fred Robertson, the current Chairman of Brimstone and Sea Harvest Holdings, will be appointed to Mareterram's board of directors as a non-executive director.

Fred Robertson is executive chairman and co-founder of Brimstone and a leading figure in the South African business community, having gained experience on the national and international business stage through his directorships of Remgro Limited, AON Re Africa Proprietary Limited and Old Mutual Emerging Markets Limited. Fred is non-executive chairman of Sea Harvest Holdings, Lion of Africa Insurance Company Limited, Lion of Africa Life Assurance Company Limited and House of Monatic Proprietary Limited.

4. Benefits of the Offer

In addition to Mareterram Shareholders benefiting from Mareterram's relationship with a global fishing business such as the Sea Harvest Group, the Offer has a number of benefits to Mareterram and Mareterram Shareholders.

Price is a premium - Mareterram Shareholders who accept the Offer will receive cash of \$0.35 per Mareterram Share for the Mareterram Shares accepted. The Offer Price represents:

- (a) a 75% premium over the offer price of \$0.20 per Mareterram Share under Mareterram's recent re-compliance prospectus dated 12 November 2015;
- (b) an 18.63% premium over the 30 day volume weighted average price (**VWAP**) of \$0.295 per Mareterram Share up to and including 4 April 2016,⁵ the last trading day prior to Mareterram entering into the trading halt ahead of the execution of the Implementation Agreement; and
- (c) a 9.37% premium over the closing price of \$0.32 per Mareterram Share on 4 April 2016.

Continued participation in Mareterram for accepting Mareterram Shareholders – the structure of the Offer means that Mareterram Shareholders who accept the Offer will still retain half of their current holding, and accordingly, can continue to participate in Mareterram's future growth.

Expertise and operational synergies – The Sea Harvest Group is one of the largest vertically integrated fishing businesses in South Africa. Established in 1964 and employing over 2,400 people, it owns 18 fishing trawlers, processes approximately 40,000 tonnes of fish and has considerable expertise in the fishing industry. It is intended that Mareterram will work with the Sea Harvest Group to better access the people, systems and expertise of the Sea Harvest Group to achieve synergies in a number of areas, including purchasing power, maintenance and support of vessels, engineering, sales and marketing, IT, risk management, fishing practices, OH&S and quality control. The Sea Harvest Group has significant expertise in fishing, processing, engineering, refrigeration, sales and marketing, brands, distribution and warehousing and back office services. It is anticipated that these skills will be leveraged by Mareterram in order to generate synergies and economies of scale for the benefit of all Mareterram Shareholders.

Global supply chain – With a 52 year history in global markets, Sea Harvest sells its products in the US, Europe and Asia (including to customers not currently serviced by Mareterram). It has long term relationships with established customers and access to international supply chain logistics. It is anticipated that Mareterram will be better able to leverage those Sea Harvest relationships to sell its own products and to penetrate new markets, as well as better service Mareterram's existing customers.

Improve product and distribution diversity – Mareterram distributes Sea Harvest Hake products in Australia under an existing supply arrangement. Closer alignment between Sea Harvest and Mareterram provides Mareterram the opportunity to increase the volume and range of Sea Harvest products it sells and to diversify its distribution channels into the marketplace.

⁵ The VWAP is calculated using the 30 ASX trading days up to and including 4 April 2016. The 30 day VWAP of \$0.2924 noted in Mareterram's announcement on 8 April 2016 was for the 30 trading days up to and including 4 April 2016, but excluding ASX trading days on which Mareterram Shares did not trade.

Support for Mareterram's growth strategy - Sea Harvest has stated that it fully endorses the current Mareterram Board and management, their growth strategy and vision of creating a diversified agri-business. This will provide Mareterram access to a broader range of growth opportunities and valuable expertise in identifying and assessing acquisitions.

Funding support – An increased shareholding in Mareterram by Sea Harvest assists in underpinning Mareterram's future capital requirements to fund its strategic objectives with substantial food interests, especially fishing interests. Sea Harvest is controlled by Brimstone, an investment holding company listed on JSE. Brimstone's strategy is to develop long term partnerships with, and invest alongside, strong management teams running cash generative businesses.

Messrs Lock and Clement have indicated that they intend to accept the Offer in respect of these Mareterram Shares, in the absence of a Superior Proposal. The balance of the Performance Rights will remain in place and be able to vest subject to the satisfaction of the relevant vesting conditions.

The 20,000,000 Mareterram Shares held by Craig Mostyn, 10,000,000 Mareterram Shares held by Orange Sun and 3,406,250 of the 5,000,000 Mareterram Shares controlled by Peter Hutchinson are subject to voluntary escrow agreements. Under the terms of the voluntary escrow agreements, these Mareterram Shareholders will be permitted to accept the Offer in respect of their escrowed Mareterram Shares if holders of at least half of the Mareterram Shares (excluding the escrowed shares) have accepted the Offer and all conditions of the Offer have been satisfied or waived. The remaining escrowed Mareterram Shares which are not acquired by Sea Harvest will continue to be subject to the terms and conditions of the voluntary escrow arrangements.

5.2 Relevant Interest in Mareterram securities and voting power

As at the date of this Bidder's Statement:

- (a) Sea Harvest has a Relevant Interest in 26,834,730 Mareterram Shares, being 19.9% of Mareterram Shares; and
- (b) Sea Harvest has voting power in Mareterram of 19.9%.

5.3 Consideration provided for Mareterram securities during previous four months

Sea Harvest and its Associates have not acquired any Mareterram Shares during the period of four months ending on the day immediately before the date of this Bidder's Statement.

Sea Harvest and its Associates have not disposed of any Mareterram Shares during the period of four months ending on the day immediately before the date of this Bidder's Statement.

5.4 Inducing benefits given during previous four months

Except as set out in this Bidder's Statement, neither Sea Harvest nor any of its Associates has, during the period of four months ending on the day immediately before the date this Bidder's Statement, given, offered or agreed to give a benefit to another person where the benefit was likely to induce the other person, or an Associate, to:

- (a) accept the Offer; or
- (b) dispose of Mareterram Shares,

which benefit was not offered to all Mareterram Shareholders under the Offer.

6. Funding

6.1 Total consideration

The consideration for the acquisition of the Mareterram Shares to which the Offer relates will be satisfied by the payment of cash for each Mareterram Share.

The maximum amount of cash that Sea Harvest will be required to pay under the Offer if acceptances are received for all Mareterram Shares on issue as at the date of this Bidder's Statement is approximately \$19.7 million (**Maximum Cash Consideration**).

The Maximum Cash Consideration is calculated on the basis:

- (a) of acceptances in respect of 54,006,484 Mareterram Shares (that is, 50% of all Mareterram Shares on issue at the date of this Bidder's Statement other than those held by Sea Harvest); and
- (b) that the holders of Performance Rights exercise their performance rights (once vested) and are issued Mareterram Shares and accept the Offer.

6.2 Sources of cash consideration

The consideration for the acquisition of Mareterram Shares under the Offer will be paid by Sea Harvest having been wholly funded pursuant to intra-group arrangements with Sea Harvest's ultimate parent entity, Brimstone. Brimstone has agreed to provide, and will procure that its subsidiaries will provide, Sea Harvest with the necessary funds to pay the Maximum Cash Consideration as well as the consideration payable pursuant to the Option Deed and any associated transaction costs incurred by Sea Harvest (**Total Funding Amount**). Further detail is provided below.

Brimstone funding arrangements

Brimstone will obtain funds equal to the Total Funding Amount through a combination of existing cash on hand, an existing overdraft facility with Nedbank Limited (**Nedbank**) and a subscription for preference shares in Newshelf 1063 Proprietary Limited (**Newshelf**), a wholly owned subsidiary of Brimstone, by Depfin Investments (Proprietary) Limited (**Depfin**), a wholly owned subsidiary of Nedbank (**Depfin Preference Share Facility**). In aggregate, the funds available from Brimstone's surplus cash and undrawn amounts under the existing overdraft facility and Depfin Preference Share Facility exceed the Total Funding Amount.

There are no conditions to drawdown under the existing overdraft facility. Drawdown under the Depfin Preference Share Facility is subject to satisfaction of certain conditions, including there being:

- (a) no material adverse change in the ability of Newshelf or Brimstone (as guarantor) to perform its obligations or the business, financial condition, operations or performance of Newshelf or Brimstone (as guarantor) more generally; and
- (b) no material adverse change (in the reasonable opinion of Depfin) in the risk profile of the contemplated subscription.

As at the date of this Bidder's Statement, Brimstone is not aware of any reason why any conditions precedent to drawdown from the Depfin Preference Share Facility will not be satisfied.

Sea Harvest's internal funding arrangements

Brimstone will provide funds equal to the Total Funding Amount to Sea Harvest through:

- (a) the provision of an interest-free loan facility to its wholly owned subsidiary, Brimco Proprietary Limited (**Brimco**);
- (b) the subscription by Brimco of preference shares in Sea Harvest Holdings (**Brimco Preference Share Facility**); and
- (c) the provision of an interest-free loan facility by Sea Harvest Holdings to Sea Harvest.

Drawdown under the intra-group loan facilities and the Brimco Preference Share Facility is subject to satisfaction of certain conditions, including:

- (a) satisfaction or waiver of the 50.1% minimum acceptance bid condition (see section 9.8(c) below); and
- (b) delivery of the relevant drawdown or subscription notice (as applicable).

Under the intra-group loan facilities and Brimco Preference Share Facility, funds equal to the Total Funding Amount will be available to Sea Harvest from the commencement of the first day of the Offer Period until the date that is 30 business days after the last day of the Offer Period. There is no fixed date for repayment by Brimco or Sea Harvest of amounts outstanding under the loans.

As at the date of this Bidder's Statement, Brimstone is not aware of any reason why any conditions precedent to drawdowns from the intra-group loan facilities and the Brimco Preference Share Facility will not be satisfied.

On the basis of the arrangements described above in this section 6, Sea Harvest is of the opinion that it has a reasonable basis for forming, and it holds, the view that it will be able to pay the Maximum Cash Consideration required for the acquisition of Mareterram Shares pursuant to the Offer to satisfy its obligations under the Offer.

The Offer is not subject to any financing conditions.

7. Taxation implications

7.1 Introduction

This section 7 provides a brief outline of certain Australian tax consequences which may arise where a Mareterram Shareholder decides to accept the Offer. Mareterram Shareholders are specifically informed that the outline contained in this section 7:

- (a) does not constitute tax advice by Sea Harvest or its advisers to any Mareterram Shareholder;
- (b) is an indicative guide based on the understanding of Sea Harvest of the possible Australian CGT, GST and stamp duty consequences arising to Mareterram Shareholders on the disposal of Mareterram Shares;
- (c) does not consider any broader Australian or foreign tax implications;
- (d) is prepared on the basis of the existing Australian tax laws and administrative practices applicable as at the date of this Bidder's Statement, which may be subject to change periodically (including with retrospective effect); and
- (e) should not be relied upon by a Mareterram Shareholder for any purpose (including in deciding whether the Mareterram Shareholder should accept the Offer).

The outline contained in this section 7 is not intended to be an authoritative or complete statement of the Australian tax law applicable to the specific circumstances of every Mareterram Shareholder. In particular, the comments in the outline are generally only relevant to those Mareterram Shareholders who hold their Mareterram Shares on capital account for Australian income tax purposes. The comments do not apply to Mareterram Shareholders who:

- (a) are in the business of trading or dealing in securities, or otherwise hold their Mareterram Shares on revenue account;
- (b) acquired their Mareterram Shares as a result of an employee share plan or employee share option plan;
- (c) are a bank, insurance company or tax exempt organisation;
- (d) are subject to the Australian Taxation of Financial Arrangements rules in Division 230 of the *Income Tax Assessment Act 1997* (Cth) in relation to their Mareterram Shares;
- (e) are non-resident Mareterram Shareholders who currently hold, or have held at any time, Mareterram Shares through a permanent establishment in Australia; or
- (f) are non-resident Mareterram Shareholders who were previously residents of Australia for tax purposes and chose to disregard a capital gain or loss on ceasing to be a resident of Australia.

7.2 Disposal for CGT purposes

A Mareterram Shareholder that accepts the Offer should be treated as having disposed of the relevant Mareterram Shares for Australian CGT purposes on the date that the contract to sell those Mareterram Shares comes into existence. This should be the date on which a Mareterram Shareholder accepts the Offer to dispose of the Mareterram Shares the subject of the Offer. The disposal of a Mareterram Share in this manner should constitute a disposal of a CGT asset and potentially trigger a taxable event under Australia's CGT regime. However, if a Mareterram

Shareholder does not ultimately dispose of the relevant Mareterram Shares (eg, if a condition of the Offer is not fulfilled) then no CGT event should happen in respect of those Mareterram Shares.

7.3 Australian resident Mareterram Shareholders

A Mareterram Shareholder should realise a capital gain in connection with the disposal of a Mareterram Share equal to the amount by which the Offer consideration exceeds the cost base of the Mareterram Share. A Mareterram Shareholder should alternatively realise a capital loss equal to the amount by which the reduced cost base of the Mareterram Share exceeds the Offer consideration. A capital loss may be used to offset a capital gain made in the same income year or be carried forward to offset a capital gain made in a future income year, subject to the satisfaction of any applicable loss recoupment tests.

The cost base and reduced cost base of a Mareterram Share should generally equal the amount that the Mareterram Shareholder paid, or is deemed to have paid, to acquire the Mareterram Share (including certain incidental costs associated with the acquisition, such as brokerage fees).

A Mareterram Shareholder who is an Australian tax resident individual, trust or complying superannuation fund may be entitled to reduce a capital gain arising on disposal of a Mareterram Share by the CGT discount, provided that the Mareterram Share was acquired at least 12 months prior to its disposal for Australian CGT purposes and certain other requirements are met.

The CGT discount is applied to the capital gain after any available capital losses are first offset against that capital gain.

The applicable CGT discount (after the application of any capital losses or net capital losses from previous income years) applies at the following rates:

- (a) 50% for an individual or trust; and
- (b) 33.33% for a complying superannuation fund.

The CGT discount is not available to any Mareterram Shareholders that are companies or non-residents.

Capital gains and capital losses of a taxpayer in a year of income are aggregated to determine whether there is a net capital gain. Any net capital gain is included in assessable income and is subject to income tax. Capital losses may not be deducted against other income for income tax purposes, but may be carried forward to offset against future capital gains, subject to satisfying certain rules relating to the recoupment of carried forward losses.

7.4 Non-resident Mareterram Shareholders

A Mareterram Shareholder who is not a resident of Australia for Australian income tax purposes should generally not have to pay Australian income tax in relation to any capital gain arising on the disposal of their Mareterram Shares, unless, broadly, both of the following requirements are satisfied:

- (a) the Mareterram Shareholder (together with any Associates) owned at least 10% of the Mareterram Shares issued by Mareterram either at the time the Mareterram Shares were disposed of for CGT purposes, or for at least 12 months during the 24 month period ending at that time; and
- (b) more than 50% of the market value of the assets of Mareterram (including assets held through certain downstream subsidiaries) is comprised by interests in Australian real property and/or certain rights in relation to Australian minerals.

If either element is absent, any capital gain made on the disposal of a Mareterram Share should not be subject to income tax in Australia.

If both elements are satisfied, any capital gain realised by a Mareterram Shareholder who is not a resident of Australia for Australian income tax purposes should be calculated in a similar manner to that discussed above in the context of Australian residents. However the CGT discount will not be available.

Mareterram Shareholders who are not residents of Australia for tax purposes should also take into account the tax consequences under the laws of their country of residence of the disposal of Mareterram Shares.

7.5 Goods and services tax

No GST is payable by Mareterram Shareholders in respect of a disposal of those Mareterram Shares under the Offer. Holders of Mareterram Shares who are not GST registered will be restricted from claiming input tax credits for GST incurred on costs in connection with the Offer (for example, GST included in advisory costs). Holders of Mareterram Shares who are GST registered may be entitled to input tax credits for GST incurred on costs relating to the Offer and should seek their own advice in respect of such entitlements.

7.6 Stamp duty

No stamp duty is payable by Mareterram Shareholders in connection with the Offer.

8. Additional information

Mareterram Shareholders may, during the Offer Period, obtain a copy of these documents (free of charge) by requesting them in writing from Sea Harvest at Level 1, Block C, The Boulevard, Searle Street, Woodstock, Cape Town, South Africa 7925, marked for the attention of John Paul de Freitas.

8.5 No other material information

There is no other information that is material to the making of the decision by a holder of Mareterram Shares whether or not to accept the Offer and which is known to Sea Harvest, other than as set out or referred to elsewhere in this Bidder's Statement, or information which it would be unreasonable to require Sea Harvest to disclose because the information has previously been disclosed to holders of Mareterram Shares.

8.6 Privacy

Sea Harvest has collected your information from the register of Mareterram Shareholders for the purposes of making the Offer. Such information may include the name, contact details and shareholdings of Mareterram Shareholders and the names of persons appointed to act as proxy, attorney or corporate representative of Mareterram Shareholders. Without this information, Sea Harvest would be hindered in its ability to issue this Bidder's Statement. The Corporations Act requires the names and addresses of Mareterram Shareholders to be held in a public register. Your personal information of the type described above may be disclosed on a confidential basis to Sea Harvest and the broader Sea Harvest Group, affiliates, authorised securities brokers, and external service providers, and may be required to be disclosed to regulators, such as ASIC. The registered office of Sea Harvest is 1st Floor, Block C, The Boulevard, Searle Street, Woodstock, Cape Town, South Africa, 7925.

8.7 Rounding

A number of figures, amounts, percentages, prices, estimates, calculations of value and fractions in this Bidder's Statement are subject to the effect of rounding. Accordingly, the actual calculation of these figures may differ from the figures set out in this Bidder's Statement.

8.8 Potential for waiver of conditions

The Offer is subject to a number of conditions set out in section 9.8, including a two tiered minimum acceptance condition (see section 9.8(c)). If an event occurs which results (or would result) in the non-fulfilment of a condition, Sea Harvest might not make a decision as to whether it will either rely on that occurrence, or instead waive the condition in respect of that occurrence, until the date for giving notice as to the status of the conditions of the Offer under section 630(3) of the Corporations Act (see section 9.11).

If any of the conditions is not fulfilled, and Sea Harvest decides to rely on that non-fulfilment, then any contract resulting from acceptance of the Offer will become void at (or, in some cases, shortly after) the end of the Offer Period.

8.9 SARB Approval

The Offer is subject to receipt by Sea Harvest of approval from SARB for remittance of foreign currency out of South Africa for the purpose of satisfying any consideration payable to Mareterram Shareholders who accept the Offer (see section 9.8(b)(i)). Sea Harvest has filed the

necessary application, together with a detailed submission, with SARB before the date of this Bidder's Statement.

8.10 Consent of the Minister for Transport

The Offer is subject to receipt of the prior written consent of the Minister for Transport (or his delegate) for the deemed assignment of the Carnarvon Boat Harbour Leases in consequence of or in connection with the Offer (see section 9.8(g)(ii)). Mareterram has requested the necessary consents from the Minister for Transport (or his delegate) and, as at the date of this Bidder's Statement, the relevant documentation is being finalised.

8.11 Written confirmation from suppliers

The Offer is subject to receipt of written confirmation by a Mareterram Group Entity from each of N.V. Mydibel S.A, Top Hat Fine Foods Pty Ltd, Bayview Seafoods Pty Ltd and Rand Transport 1986 Pty Ltd that they are aware of the proposed transaction and intend to continue the current relationship with the applicable Mareterram Group Entity (see section 9.8(i)(v)). These written confirmations were received prior to the date of this Bidder's Statement.

8.12 Opinion of Independent Expert

The Offer is subject to the Independent Expert opining that the Offer is fair and reasonable to Mareterram Shareholders (and not later changing that opinion during the Offer Period) (section 9.8(m)). The Independent Expert's opinion as at the date of this Bidder's Statement is that the Offer is fair and reasonable to Mareterram Shareholders, and as at the date of this Bidder's Statement, Sea Harvest is not aware of any events or circumstances which would result in the Independent Expert changing its opinion.

8.13 NAB consent

The Offer is subject to NAB providing written confirmation to Mareterram that it will not (i) change pricing or any other term of the Financing Agreement or (ii) cancel a facility or declare any outstanding amount due and payable, in either case, in consequence of or in connection with the Offer (see section 9.8(n)). This written confirmation was received prior to the date of this Bidder's Statement.

8.14 Status and effect of other conditions

This section 8.14 describes the status of the remaining conditions of the Offer.

In relation to the conditions in section 9.8(a) and 9.8(b)(ii), Sea Harvest is not aware, as at the date of this Bidder's Statement, of any decision, action or investigation, or additional approvals, which would result in the non-fulfilment of those conditions. Other than as set out in section 8.9 and 8.10, Sea Harvest has not identified, as at the date of this Bidder's Statement, any particular regulatory actions or approvals which could lead to those conditions being triggered or which would be relevant to the conditions in section 9.8(a) and 9.8(b)(ii). However, it should be noted that it is not feasible for Sea Harvest to identify in advance all such regulatory actions or related regulatory approvals as Sea Harvest has not had access to detailed information regarding Mareterram's operations and assets and whether they are subject to particular approvals or conditions.

As at the date of this Bidder's Statement, Sea Harvest is not aware of any events or circumstances which would result in the non-fulfilment of any of the conditions in sections 9.8(d) to 9.8(l).

9. Terms of Offer

9.1 Offer

- (a) Sea Harvest offers to acquire from you, on the terms and conditions of this Offer, 50% of your Mareterram Shares (rounded down to the nearest whole number of shares) together with all Rights attaching to those Mareterram Shares. You may only accept this Offer for 50% of your Mareterram Shares and not a greater or lesser proportion.⁶ For example, if you hold 12,500 Mareterram Shares you can only accept this Offer in respect of 6,250 Mareterram Shares.
- (b) This Offer extends to Mareterram Shares in respect of which you become registered or become entitled to be registered as the holder prior to the end of the Offer Period as a result of the conversion of, or the exercise of rights attached to, other securities convertible into Mareterram Shares that are on issue at the Register Date (including the Performance Rights and Options).
- (c) This Offer extends to any person who is able, during the Offer Period, to give good title to a parcel of Mareterram Shares that are not "tagged" and has not already accepted an Offer for those Mareterram Shares (see section 9.6(a)). If you accept this Offer in respect of 50% of your Mareterram Shares, you are not entitled to accept the Offer for your remaining Mareterram Shares (**Remaining Shares**), nor can a transferee of your Remaining Shares accept the Offer. Your Remaining Shares will effectively be "tagged" so that a transferee of the Remaining Shares will be prevented from accepting this Offer.
- (d) Subject to section 9.1(e) and despite paragraphs (a), (b) and (c) of this section 9.1, if accepting this Offer would leave you with less than a Marketable Parcel of Mareterram Shares, this Offer extends to the whole of that parcel and if you accept the Offer you will be deemed to have accepted for (and will receive consideration for) 100% of your Mareterram Shares, unless you or another person acquired a legal or equitable interest in the Mareterram Shares comprising the parcel after the Offer was announced to ASX on the Announcement Date. This section applies to persons who hold Mareterram Shares as nominee or trustee for others, provided that the holder provides a notice complying with section 9.6(b) in relation to each parcel of Mareterram Shares to which this provision is to apply.
- (e) Section 9.1(d) will not apply to a parcel of Mareterram Shares, whether held beneficially or otherwise, that has come into existence, or increased in size, because of a transaction entered into (including the creation of one or more trusts), at any time after 10:00am on the Announcement Date.
- (f) If necessary, if the number of your Mareterram Shares to which this Offer relates is not a whole number, the Offer will be rounded down to the nearest whole number.
- (g) Offers on terms and conditions identical to those contained in this Offer have been dispatched or will be dispatched to all holders of Mareterram Shares registered as such in the Register on the Register Date.
- (h) This Offer is dated 8 June 2016.

⁶ If accepting the Offer would leave you with a less than a Marketable Parcel of Mareterram Shares, the Offer will extend to all of your Mareterram Shares, subject to the modification to section 618(2) of the Corporations Act granted in ASIC Class Order [CO 13/521]. See sections 9.1(d) and 9.6 for further details.

9.2 Consideration and dividends

- (a) Subject to the terms of this Offer, the consideration offered by Sea Harvest for the acquisition of each of your Mareterram Shares to which this Offer relates is \$0.35 cash for each Mareterram Share.
- (b) Subject to sections 9.2 and 9.4(d) and the Corporations Act, Sea Harvest will provide the consideration due to you for your Mareterram Shares you have accepted into the Offer by the earlier of:
 - (i) one month after the later of (i) receipt of your valid acceptance and necessary transfer documents and (ii) the date on which the Offer becomes unconditional; and
 - (ii) 21 days after the end of the Offer Period.
- (c) Where the Acceptance Form requires an additional document to be delivered with your Acceptance Form (such as a power of attorney):
 - (i) if that document is given with your Acceptance Form, Sea Harvest will provide the consideration in accordance with section 9.2(b);
 - (ii) if that document is given after your Acceptance Form and before the end of the Offer Period while this Offer is subject to a defeating condition, Sea Harvest will provide the consideration due to you on or before the earlier of one month after this Offer becomes unconditional and 21 days after the end of the Offer Period;
 - (iii) if that document is given after your Acceptance Form and before the end of the Offer Period while this Offer is not subject to a defeating condition, Sea Harvest will provide the consideration due to you on or before the earlier of one month after that document is given and 21 days after the end of the Offer Period; or
 - (iv) if that document is given after the end of the Offer Period, and the Offer is not subject to a defeating condition, Sea Harvest will provide the consideration within 21 days after that document is given. However, if at the time the document is given, the Offer is still subject to a defeating condition that relates only to the happening of an event or circumstance referred to in section 652C(1) or (2) of the Corporations Act, Sea Harvest will provide the consideration due to you within 21 days after the Offer becomes unconditional.
- (d) Payment of the cash amount to which you are entitled under the Offer will be made in Australian currency.
- (e) Sea Harvest will be entitled to all Rights declared, paid, made or which arise or accrue at or after the Announcement Date in respect of the Accepted Shares that it acquires pursuant to this Offer.
- (f) If any Rights are declared, paid, made or arise or accrue in cash after the Announcement Date in respect of the Accepted Shares to the holders of the Accepted Shares, Sea Harvest will (provided that the same has not been paid to Sea Harvest) be entitled to reduce the consideration specified in section 9.2(a) and payable by it to the holders of the Accepted Shares by an amount equal to the value of such Rights.

- (g) If any non-cash Rights are issued or made or arise or accrue after the Announcement Date in respect of the Accepted Shares to the holders of the Accepted Shares, Sea Harvest will (provided the same has not been issued to Sea Harvest) be entitled to reduce the consideration specified in section 9.2(a) and payable by it to the holders of the Accepted Shares by an amount equal to the value (as reasonably assessed by the Chairman of ASX or his or her nominee) of such non-cash Rights.

9.3 Offer Period

- (a) Unless the Offer is extended or withdrawn in accordance with the requirements of the Corporations Act, this Offer will remain open for acceptance by you during the period commencing on the date of this Offer and ending at 5:00pm (AWST) on 8 July 2016.
- (b) If, within the last seven days of the Offer Period, this Offer is varied to improve the consideration offered or Sea Harvest's voting power increases to more than 50%, then the Offer Period will be automatically extended in accordance with section 624(2)(a) of the Corporations Act so that it ends 14 days after the relevant event.

 - (ii) if you are not the Controlling Participant, you may either:

⁷ If accepting the Offer would leave you with a less than a Marketable Parcel of Mareterram Shares, the Offer will extend to all of your Mareterram Shares, subject to the modification to section 618(2) of the Corporations Act granted in ASIC Class Order [CO 13/521]. See sections 9.1(d) and 9.6 for further details.

- (A) instruct your Controlling Participant (normally your Broker), in accordance with the sponsorship agreement between you and the Controlling Participant, to initiate acceptance of this Offer in accordance with Rule 14.14 of the ASX Settlement Operating Rules, such initiation to occur before the end of the Offer Period. - (b) Sea Harvest will determine, in its sole discretion, all questions as to the form of documents, eligibility to accept the Offer and time of receipt of an acceptance of the Offer. Sea Harvest is not required to communicate with you prior to or after making this determination. The determination of Sea Harvest will be final and binding on all parties.

9.6 Entitlement to Offer

- (a) Subject to section 9.1(c), a person who:

- (i) is able during the Offer Period to give good title to a parcel of Mareterram Shares; and
- (ii) has not already accepted an Offer for those Mareterram Shares;

may, in accordance with section 653B(1) of the Corporations Act, accept this Offer as if an offer on terms identical with the Offer had been made to that person in relation to those Mareterram Shares.

- (b) If at any time during the Offer Period, and before you accept this Offer, your Mareterram Shares consist of one or more separate parcels within the meaning of section 653B of the Corporations Act (for example, because you hold Mareterram Shares on trust for, as nominee for, or on account of, another person or persons), then you may accept as if a separate offer in the form of this Offer had been made to you in relation to each of those parcels (including any parcel you hold in your own right). An acceptance by you of the Offer in respect of any such distinct portion of your Mareterram Shares will be ineffective unless:
 - (i) you have given Sea Harvest notice stating that your Mareterram Shares consist of separate and distinct parcels, such notice being:
 - (A) in the case of Mareterram Shares not in a CHESS Holding, in writing; or
 - (B) in the case of Mareterram Shares in a CHESS Holding, in an electronic form approved by the ASX Settlement Operating Rules; and
 - (ii) your acceptance specifies the number of Mareterram Shares in the distinct portions to which the acceptance relates; and
 - (iii) in circumstances where the parcel of Mareterram Shares is held by you as trustee or nominee for, or otherwise on account of, another person, your acceptance specifies:
 - (A) the date that other person acquired an equitable interest in the parcel or, if that date is not known, the date that other person is reasonably believed to have acquired an equitable interest in the parcel; and

- (c) Beneficial owners whose Mareterram Shares are registered in the name of a Broker, investment dealer, bank, trust company or other nominee should contact that nominee for assistance in having this Offer accepted in respect of the Mareterram Shares which they beneficially own.

9.7 Effect of Acceptance

- (a) By:
 - (i) completing, signing and returning an Acceptance Form in accordance with section 9.4(b) or 9.4(c)(ii)(B); or

- (ii) causing this Offer to be accepted in accordance with the ASX Settlement Operating Rules if your Mareterram Shares are in a CHESS Holding,

you will, or will be deemed to, have:

- (iv) subject to the conditions of the Offer being fulfilled, agreed to transfer the Accepted Shares to Sea Harvest;
- (v) represented and warranted to Sea Harvest as a fundamental condition going to the root of the contract resulting from your acceptance of this Offer that, both at the time of acceptance of this Offer and at the time the transfer of the Accepted Shares to Sea Harvest is registered, all of the Accepted Shares are and will upon registration be fully paid up and free from all mortgages, charges, liens and other encumbrances of any kind and restrictions on transfer of any kind, and that you have full power and capacity (whether legal or equitable) to sell and transfer the Accepted Shares and that you have paid all amounts which at the time of acceptance have fallen due for payment in respect of the Accepted Shares;
- (vi) authorised Sea Harvest (by any of its directors, officers, servants or agents), if necessary, to complete on the Acceptance Form correct details of the Accepted Shares, fill in any blanks remaining on the Acceptance Form and rectify any error in or omission from the Acceptance Form as may be necessary to make the Acceptance Form an effective acceptance of this Offer;
- (vii) irrevocably appointed Sea Harvest and each of its directors, secretaries and officers from time to time jointly and each of them severally as your true and lawful attorney, with effect from the date that the conditions of the Offer are fulfilled, with power to exercise all powers and rights which you could lawfully exercise as the registered holder of the Accepted Shares or in exercise of any right derived from the holding of the Accepted Shares, including, without limiting the generality of the foregoing, requesting Mareterram to register the Accepted Shares in the name of Sea Harvest, attending and voting at any meeting of Mareterram Shareholders, demanding a poll for any vote taken at or proposing or seconding any resolutions to be considered at any meeting of Mareterram Shareholders, requisitioning any meeting of Mareterram Shareholders, signing any forms, notices or instruments relating to the Accepted Shares and doing all things incidental or ancillary to any of the foregoing. You will, or will be deemed to, have acknowledged and agreed that in exercising such powers the attorney may act in the interests of Sea Harvest as the intended registered holder of the Accepted Shares. This appointment, being given for valuable consideration to secure the interest acquired in the Accepted Shares, is irrevocable and terminates upon registration of a transfer to Sea Harvest of the Accepted Shares;
- (viii) irrevocably authorised and directed Mareterram to pay to Sea Harvest or to account to Sea Harvest for all Rights in respect of the Accepted Shares, subject, however, to any such Rights received by Sea Harvest being accounted for by Sea Harvest to you in the event that this Offer is withdrawn or avoided;

- (ix) except where Rights have been paid or accounted for under section 9.7(a)(viii), irrevocably authorised Sea Harvest to deduct from the consideration payable in respect of the Accepted Shares, the value of any Rights paid to you in respect of the Accepted Shares which, where the Rights take a non-cash form, will be the value of those Rights as reasonably assessed by the Chairman of ASX or his or her nominee;
 - (x) if, at the time of acceptance of this Offer, the Accepted Shares are in a CHESS Holding, irrevocably authorised Sea Harvest to cause a message to be transmitted in accordance with ASX Settlement Operating Rule 14.17.1 (and at a time permitted by ASX Settlement Operating Rule 14.17.1(b)) so as to transfer the Accepted Shares to Sea Harvest's Takeover Transferee Holding. Sea Harvest shall be so authorised even though at the time of such transfer it has not paid the consideration due to you under this Offer;
 - (xi) agreed to indemnify Sea Harvest in respect of any claim or action against it or any loss, damage or liability whatsoever incurred by it as a result of you not producing your Holder Identification Number or in consequence of the transfer of the Accepted Shares being registered by Mareterram without production of your Holder Identification Number for the Accepted Shares;
 - (xii) represented and warranted to Sea Harvest that, if you are the legal owner but not the beneficial owner of the Accepted Shares:
 - (A) the beneficial holder has not sent a separate acceptance of the Offer in respect of the Accepted Shares;
 - (B) the number of Mareterram Shares you have specified as being the entire holding of Mareterram Shares you hold on behalf of a particular beneficial holder is in fact the entire holding; and
 - (C) that you are irrevocably and unconditionally entitled to transfer the Accepted Shares, and to assign all of the beneficial interest therein to Sea Harvest; and
 - (xiii) agreed to execute all such documents, transfers and assurances that may be necessary or desirable to convey the Accepted Shares and any Rights in respect of the Accepted Shares to Sea Harvest.
- (b) If your Mareterram Shares are in a CHESS Holding and you complete, sign and return the Acceptance Form in accordance with section 9.4(c)(ii)(B) (which you are not bound, but are requested, to do), you will be deemed to have irrevocably authorised Sea Harvest and any of its directors, secretaries or officers to:
- (i) instruct your Controlling Participant to initiate acceptance of this Offer in respect of the Accepted Shares which are in a CHESS Holding, in accordance with Rule 14.14 of the ASX Settlement Operating Rules if you have not already done so; and
 - (ii) give any other instructions in relation to the Accepted Shares to your Controlling Participant on your behalf under the sponsorship agreement between you and that Controlling Participant.
