## Conditional sale of interest in Kirrawee retail to Mirvac

PAYCE Consolidated Limited ("**PAYCE**") [ASX:PAY] is pleased to announce that it has entered into conditional documentation with Mirvac Group ("**Mirvac**") [ASX:MGR] to divest of a 50% interest in the retail precinct of the mixed-use residential and retail/commercial project situated at Kirrawee, Sydney, for an amount based on a capitalisation of the leased net income achieved at completion. Completion of the transaction remains subject to certain conditions which, when satisfied, is expected to occur between late 2018 and mid-2019.

Brian Boyd, PAYCE Chairman said "Following the successful sale of a joint venture interest in the East Village retail/commercial asset in July 2016, PAYCE is pleased to extend the partnership with Mirvac, a market leader in the Australian property sector, on this integrated mixed-use asset."

PAYCE will continue to update the market as the transaction progresses.
