plc

ASX Release

19 July 2016

## Investor Call

**Structural Monitoring Systems plc (“SMS” or “the Company”)** (ASX: **SMN**) is pleased to announce that the Company will hold a conference call on Tuesday, 16 August 2016 to provide an update regarding the increasingly positive status of our various programmes for CVM™ technology. During the call, SMN Management and Senior Staff will provide call participants with up-to-date and relevant information pertaining to the Company’s activities with key partners including, but not limited to, Delta/Boeing, Sikorsky, NLR/Apache and Airbus. Additionally, the Company will be pleased to provide further information regarding the Embraer/Sandia programme that was referenced in our recent release dated 15 July 2016.

Finally, as these programmes continue to develop with proven, measurable success, Management looks forward to updating shareholders in coming months when key milestones are achieved.

Details regarding the time and dial in information for the call will be provided in due course.
