Dear Ms Orr

Trading Halt

Pursuant to Listing Rule 17.1, Northern Manganese Limited ("**Northern Manganese**" or "the **Company**") (**ASX**: **NTM**) requests an immediate trading halt be put on its securities, pending an ASX exploration initial results announcement by the Company.

Northern Manganese is in compliance with Listing Rule 3.1 and can see no reason why a trading halt should not be put on its securities. The Company's securities are expected to remain in the trading halt for up to two (2) days. If an announcement is not made at the end of the trading halt period, the Company will request suspension of its securities.

Yours Faithfully

Robert Marusco
Company Secretary
