Range International to lodge half year reports on or before 30 September 2016

Range International confirms that it will announce its half-year financial report and directors' report for the half-year ended 30 June 2016 (**Half-Year Reports**) on or before 30 September 2016.

Range International obtained from ASIC an order permitting the lodgment of the Half Year Reports on this basis. Range sought this order on the basis that it was admitted to the official list of ASX on 21 July 2016 and required further time for preparation of its half-year reports.

About Range International:

Range is a manufacturer of plastic pallets. It has developed the ThermoFusion™ technology that allows it to make plastic pallets from 100% recycled mixed waste plastic at a price that is competitive with wood pallets. It currently has two production lines operating at its factory in Bali, Indonesia and sells its pallets under the brand Re>Pal™. Range intends to scale up its operations in Indonesia. In the medium term, the Company's goal is to establish a global production footprint and sales distribution network.
