EXPLANATORY NOTES

Resolution 1 – Election of George Shad As A Director

Clauses 75.1(b) and 76.1 of the Constitution of the Company requires that one third of the Directors retire by rotation at the annual general meeting of the Company.

ASX Listing Rule 14.4 states that a Director of the Company must not hold office (without re-election) past the third annual general meeting following the Director's appointment or three (3) years whichever is longer.

George was appointed to the Board on 30 July 2003. Principal of Shad Partners Solicitors with thirty years' experience as a lawyer specialising in commercial and conveyance work.

George is a panel solicitor for a number of major banks and his expertise and contacts in the corporate sector will assist HiTech in increasing its client base.

Voting exclusion statement

The Company will disregard any votes cast on this resolution 4 by George Shad or an associate of George Shad. However, the company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions of the proxy form or if it is cast by the person chairing the meeting as a proxy for a person entitled to vote in accordance with a direction on the proxy form to vote as the proxy decides.

Resolution 2 – Remuneration Report

The Corporations Act 2001 requires the Company to put a resolution to the Annual General Meeting that the Company's remuneration report be adopted. The vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

The remuneration report, which details the Company's policy on the remuneration of Directors and senior executives, is set out on pages 15-17 of the Company's Annual Report 201. It is also available at the Company's website at: www.hitechaustr.com.

The Company encourages all shareholders to cast their votes on this resolution. If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this resolution.

Any undirected proxies held by the Chairman of the meeting, other directors or other key management personnel or any of their closely related parties will not be voted on this resolution. If you appoint the Chairman of the meeting, other directors and other key management personnel as your proxy, you should direct them how to vote if you want your shares to be voted on this resolution.

Resolution 3: CEO Options

CEO Elias Hazouri is entitled to have share options as an incentive and partial reward for his key performance which led to the substantial growth of the business. This will also inject more working capital to assist in the growth of the company should the options be exercised in the future. The intended use of funds raised (when the director exercises the options) will be used to grow the business and fund the, capital intensive, contracting business. For the purposes of listing rule 10.13.2, a maximum of 2.9M shares may be acquired. The issue price is nil, the exercise price is 22 cents/share, options will be issued and vest immediately after approval on 25/11/2016. The term of the options is 5 years with an expiry date of 25/11/2021.

Given the recent outstanding performance of the company, the board agrees that the CEO should be rewarded accordingly and encourages shareholders to vote in favour of the motion to grant the CEO his performance options as agreed. Other staff members have been rewarded with similar share options under the HiTech ESOP (that do not require shareholder approval) to provide them with further incentive to perform even better. The board feels that the CEO should be no exception and is entitled to receive options but requires shareholder approval, for the purposes of listing rule 10.11, as he is also a director.

It is essential to reward and provide proper incentive for the CEO to grow HiTech further and increase shareholder returns in the future.

Voting exclusion statement

The Company will disregard any votes cast on this resolution by Elias Hazouri or an associate of Elias Hazouri. However, the company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions of the proxy form or if it is cast by the person chairing the meeting as a proxy for a person entitled to vote in accordance with a direction on the proxy form to vote as the proxy decides.

For the purposes of listing rule 10.13.2, a maximum of 250,000 shares may be acquired. The issue price is nil, the exercise price is 22 cents/share, options will be issued and vest immediately after approval on 25/11/2016.
