The Company Announcements Office ASX Limited

Via E Lodgement

Please find attached the Company's Quarterly Activities Report and Appendix 5B for the quarter ended 30 June 2016.

Yours faithfully

Robert Swarbrick
Managing Director

LODGEMENT OF ACCOUNTS

The securities of the company were placed into suspension due to AAM not lodging audited accounts by March 15, 2016.

The securities of the company will remain suspended until an appropriate project is found and funding is in place.

PAINAN COAL PROJECT

Despite substantial discussions, due to the current depressed coal price, the Company has not been able to make any progress on this project. The company is exploring the prospects of selling the project, but cannot at this stage speculate as to the demand for the asset or the price and terms that may be realised from such a sale.

CORPORATE UPDATE

The Company is continuing its discussions with a range of parties, to vend in new assets that will enable the company to raise funds for continuing operations. In the meantime, the company has cut all possible overheads. No salaries or wages are being paid, and funds are only disbursed for essential expenses. The company has also secured a small debt facility to ensure it has funding to implement a suitable transaction when this is decided on and that essential costs are covered.

The previously announced potential Philippine Iron Sands Project has now been abandoned. The due diligence on the resource proved positive, however the terms of funding that the company was able to secure, proved too expensive, and changed the economics of the project to the extent that the board believed it was unviable.

Several other projects are under consideration and the Board is confident that a suitable project will be decided upon soon.

The company is in constant communication with trade creditors and noteholders and has the benefit, of their support whilst the restructure progress is being worked on.

The Wind Up Application received by the company and announced on June 1st set down for a hearing on June 21st, has been suspended. The company has reached a binding agreement with the applicant for a standstill until January 2017, and an agreed settlement in company stock, subject to shareholder approval.

PLANNED ACTIVITIES – SEPTEMBER 2016 QUARTER

As stated above, the company is continuing to examine a range of options to find new assets, dispose of existing ones and refinance the company.

Yours faithfully

Robert Swarbrick
Managing Director
