ASX RELEASE

Macquarie Atlas Roads

Completion of Macquarie Group Selldown

Macquarie Atlas Roads (MQA) has been notified that Macquarie Group Limited (Macquarie) has completed the selldown of a portion of its stake in MQA as announced to the ASX earlier today.

Macquarie sold a total of 53 million securities at a price of \$5.32 per security to a range of institutional investors via a bookbuild.

Following the selldown and the issue of 12.6 million securities to Macquarie relating to the MQA performance fee, Macquarie's relevant interest in MQA will be approximately 11%.

Peter Trent, MQA Chief Executive Officer, said: "The wide allocation of securities resulting from today's selldown will improve MQA's liquidity and increase its weighting in the relative S&P/ASX indices. Macquarie remains a substantial securityholder, confirming its continued support of MQA."
