

**ESTIA MARKET ANNOUNCEMENT**

Estia Health Limited (ASX: EHE) (“Estia” or the “Company”) today responded to media speculation that the company was under Government audit in relation to funding claims.

Like all providers Estia is regularly audited by the Government. There is no other Government audit in relation to ACFI claims. Estia has materially more accurate claims than the industry average with a significantly lower error rate of 1 in 14 on ACFI claim submissions over the last two years versus an industry average of 1 in 8.
