ASX Grants 3 Month Extension for Re-Compliance

Antares Mining Limited (**Antares** or **Company**) is pleased to announce that, further to the results of the successful shareholders meeting held yesterday, and subsequent to lodgement of its Prospectus on 12 April 2016 in connection with its proposed acquisition of Precast Australia Pty Ltd (**Precast**), the ASX has granted the Company an extension to the deadline for automatic removal from the official list under ASX Guidance Note 33.

The extension is for a period of 3 months from the date of the lodgement of the Company's Prospectus, ending on 12 July 2016. This means that the Company will have until 12 July 2016 to complete the Precast transaction and be reinstated to the official list.

The Company will now focus on raising the required funds in accordance with the Prospectus.
