Urgent Trading Halt Request

Dear Mr Johansson

Global Health Limited ACN 091 377 892 (ASX: GLH) (**Company**) requests a trading halt in relation to its listed securities, effective immediately.

1. Further to the Company's market update of 4 July 2016, the Company, its subsidiary Working Systems Software Pty Ltd ACN 008 993 511 (**Working Systems**) and the Crown in right of the State of South Australia (**SA Health**) participated in a mediation conducted by the Registrar of the Federal Court of Australia yesterday (2 August 2016). The mediation was ordered by the Federal Court of Australia, in connection with Working Systems' legal proceedings against SA Health for SA Health's use of the CHIRON Patient Administration System (PAS), the subject of Federal Court of Australia Proceeding No. SAD 171 of 2015 (**Proceeding**).
2. The reason for the trading halt request is that yesterday evening (2 August 2016) the Company, Working Systems and SA Health settled the Proceeding and the Company is finalising its announcement to the market of non-confidential details of the settlement. The Company requests that the trading halt continue until the earlier of commencement of normal trading on Friday, 5 August 2016 or when the Company finalises its announcement to the market of non-confidential details of the settlement, whichever is the earlier.

The Company is not aware of any reason why the trading halt should not be granted

Yours sincerely

Peter Curigliano
Company Secretary
