Sandringham Community Financial Services Limited ABN 86 099 131 192 Notes to the Financial Statements

Notes to the Financial Statements for the half-year ended 31 December 2017

1. Summary of significant accounting policies

(a) Basis of preparation

These general purpose interim financial statements for the half-year reporting period ended 31 December 2017 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard *AASB 134: Interim Financial Reporting.* The Company is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Sandringham Community Financial Services Limited ("the Company"). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Company. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Company for the year ended 30 June 2017, together with any public announcements made during the following half-year.

(b) Accounting policies

The interim financial statements have been prepared in accordance with the same accounting policies adopted in the entity's last annual financial statements for the year ended 30 June 2017.

(c) Critical accounting estimates and judgements

When preparing the interim financial statements, management undertakes a number of judgements, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses. The actual results may differ from the judgements, estimates and assumptions made by management, and will seldom equal the estimated results.

The judgements, estimates and assumptions applied in the interim financial statements, including the key sources of estimation uncertainty were the same as those applied in the Company's last annual financial statements for the year ended 30 June 2017.

(d) New and revised accounting requirements applicable to the current half year reporting period

The Company has considered the implications of any new or amended Accounting Standards, but determined that their application to the financial statements is either not relevant or not material.

2. Events after the End of the Interim Period

There have been no events subsequent to reporting date that would materially effect the financial statements at the reporting date.
