NSX Announcement

REMOVAL OF TRADING FROM FRANKFURT STOCK EXCHANGE

Beroni Group (NSX: BTG) (“Beroni” or “the Company”) has been advised by the Frankfurt Stock Exchange (“FSE”) that trading of Beroni shares on their Open Market Quotation Board has been removed as a result of FSE no longer recognising the National Stock Exchange of Australia (“NSX”) as an approved stock exchange. No prior notice of this removal was given to Beroni. The Board of Beroni will endeavour to find an alternative platform to provide market liquidity to our shareholders.
