Work progress to the previous month

During the period from 18 December 2018 to 22 January 2019:

- the Operating Company continued to engage with the local authority to obtain approval for its application to transfer its entire equity capital to WFOE.

Upon obtaining this approval, the Company's Chinese legal counsel will be able to complete its due diligence report.

Work plan for the coming month

The work plan for the coming month is to continue to engage with the local authority to obtain approval for the Operating Company's application to transfer its entire equity capital to WFOE.
