REVIEW REPORT TO THE MEMBERS OF SHKL GROUP LIMITED

Introduction

We have reviewed the accompanying interim consolidated statement of financial position as at 30 September 2018 and the interim consolidated statements of comprehensive income, statement of changes in equity and statement of cash flows for the six months period then ended, and selected explanatory notes and a summary of significant accounting policies ("Financial Information") of SHKL GROUP LIMITED AND ITS CONTROLLED ENTITY (the Group). Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the provisions of the International Financial Reporting Standards. Our responsibility is to express a conclusion on this interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements does not present fairly, in all material respects, the financial position of the Group as at 30 September 2018, and of the Group's financial performance and its cash flows for the six months ended 30 September 2018 in accordance with the International Financial Reporting Standards.

(i) Subsidiaries

(iii) Transactions eliminated on consolidation
