**Re: Price Query**

We have noted a significant decline in the price of the Company's securities from \$0.94 on 15 April 2019 to \$0.65 today, 3 May 2019.

In light of this market activity please respond to the following questions:

1. Is the Company aware of any information concerning it that has not been announced, which, if known, could be an explanation for recent trading in the securities of the Company? We note the revised forecast issued by the Company on 25 March 2019 ([link](#)).
2. If the answer to 1 is yes, can an announcement be made immediately? If not, why not and when is it expected that an announcement will be made?
3. Is there any other explanation the Company may have for the recent trading in its securities?
4. Please confirm that the company is in compliance with the listing rules and, in particular, listing rule 6.4.

Your response should be sent to me directly no later than **4pm** on **6<sup>th</sup> May 2019**. Your response will be released to the market along with a copy of this letter. If you wish to discuss the content of your response, please do not hesitate to contact me as soon as possible.
