Forward Looking Statements and Other Important Disclosures

This presentation may contain forward looking statements. These statements include, but are not limited to, discussions related to Actcelerate International Group Limited ("Company") expectations regarding the performance of its business, its liquidity and capital resources and the other non-historical statements. These forward-looking statements are based on management's beliefs, as well as assumptions made by, and information currently available to, management. When used in this presentation, the words "believe," "anticipate," "estimate," "expect," "intend" and similar expressions are intended to identify forward-looking statements. Although management believes that the expectations reflected in these forward-looking statements are reasonable, it can give no assurance that these expectations will prove to have been correct. These statements are subject to certain risks, uncertainties and assumptions. We believe these factors include but are not limited to those described under the section entitled "Risk Factors" in the Company's Prospectus filed with the National Stock Exchange of Australia ("NSX") on April 4, 2018, as such factors may be updated from time to time in our periodic filings with the NSX, which are accessible on the NSX's website at www.nsx.com.au. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in this presentation and in other NSX filings. We undertake no obligation to publicly update or review any forward-looking statements, whether as a result of new information, future developments or otherwise.

Unless otherwise noted, information included herein is presented as of the dates indicated. This presentation is not complete and the information contained herein may change at any time without notice. Company does not have any responsibility to update the presentation to account for such changes.

Company makes no representation or warranty, express or implied, with respect to the accuracy, reasonableness or completeness of any of the information contained herein, including, but not limited to, information obtained from third parties.

The information contained herein is not intended to provide, and should not be relied upon for, accounting, legal or tax advice or investment recommendations.
