I refer to your correspondence dated 24 May 2019 regarding a VERA price query.

Please note the following by way of a response:

1. VERA is unaware of any information concerning it that has not been released to the market, which, if known, could be an explanation for recent trading in the securities of VERA.
2. Not applicable.
3. VERA has no explanation for the recent trading in its securities. This appears to be in the ordinary course of trading on the NSX.
4. VERA has compiled, and remains compliant, with the NSX Listing Rules, in particular, it has complied with its obligations under NSX Listing Rule 6.4.

I trust that above satisfies your queries.
