Dear Sir/Madam,

Due to the influence of novel coronavirus (2019-nCoV)-infected pneumonia (NCIP), China locks down Wuhan city as it steps up virus battle. The Subway, bus and other public transportation in Wuhan were suspended, and private cars were also prohibited from driving on the road, which made our company unable to operate normally.

As we are unable to work , we hereby apply to delay the submission of the 2019 Annual Report. We will complete the annual report as soon as possible after NCIP is controlled and the company can operate normally.

Yours faithfully,

For and on behalf of the Board of Directors
