mining investment company limited

Appointment of Frank Malcolm as a director

The board of Florin Mining Investment Company Limited ("Florin") is pleased to announce the appointment of Frank Malcolm as director.

Mr Malcolm holds a Master of Business Administration and has over 30 years' experience in the financial services industry in various roles including a private client adviser and as an executive director of several Westpac Banking Corporation subsidiaries.

He is currently an executive director and general manager of the stockbroker OpenMarkets Australia Limited and the Chairman of Winpar Holdings Limited (NSX:WPH), a listed investment company.

The board of Florin looks forward to working with Frank in the future.
