### **Extension of Reporting Deadline for Annual Financial Statements**

Endless Solar Corporation Limited (**NSX: ESC**) (**the Company**) advises that the Company is relying on the Amended ASIC Relief (Extended Reporting and Lodgement Deadlines – Listed Entities) instrument 2020/451 and NSX class waiver to extend the lodgement date for its audited full-year accounts required to be lodged with ASIC and NSX under section 320 of the Corporations Act 2001 (Cth) and Listing Rule 6.10 respectively.

Under the relief, the deadline for lodgement of full-year year financial reports, including the directors' reports and auditor's reports, for entities with balance dates up to and including 7 July 2021 is extended by one month after year end. Accordingly, the Company will have an additional month to lodge its audited full-year financial statements for the year ended 30 June 2021.

The Company will immediately update the market should there be a material change to the Preliminary Final Report lodged on 13 September 2021.
