

**NSX Announcement**  
**1 October 2021**

## **Market Update**

### **Corporate:**

Consolidated Africa Limited (CRA) has continued to complete a set of requirements that will clear the path for the company to able to request a release from suspension.

### **Diamond Lease:**

CRA has paid the tenement fee and the first years rent on the exploration lease to the Department of Mines Western Australia.

CRA has appointed its local representative in dealing with our EL Tenement Application; MT-110013435758-CC and Native Title in Western Australia.

CRA is looking into the most cost appropriate way in developing an exploration targeted first phase exploration program. The company has been discussing options with the company's geologist.

Further details will be released as they come to hand.
